**DELHI Students Take  
Advantage Of Delhi Quota Of  
85%  
IN  
NEET, IIT**

**Clear Your Physics  
Concepts And Improve Your  
Physics With Kumar Sir**

**Delhi is a city of education where every student whether from the country or abroad aspires to take education.**

**You will be happy to know that if you are a student of Delhi and you are preparing for an engineering or medical examination, then you will be very happy to know that in all the medical engineering universities in Delhi, the quota of students of Delhi is 85 % it means that because you are a student of Delhi, you will get preference in admission in any Delhi University.**

**Now let us talk about the students who are preparing for NEET and their aim is to take admitted to Government Medical colleges in Delhi, which All India Institute of Medical Science Medical College New Delhi, Maulana Azad Medical College New Delhi, Vardhman Mahavir Medical College New Delhi, University New Delhi, Lady Hardinge Medical College for Women New Delhi, Army College of Medical Sciences New Delhi Jamia Hamdard New Delhi, Guru Gobind Singh Indraprastha University Delhi, Jamia Millia Islamia New Delhi, Dr Ram Manohar Lohia Hospital and Postgraduate Medical Education and Research, Sahib Ambedkar Medical College and Hospital New Delhi, NDMC Medical College New Delhi, Maulana Azad Institute of Dental Sciences New Delhi are included.**

**Now let's talk about the students who want to take admitted to all these medical schools and are residents of Delhi, then they have an 85% quota in these Delhi medical colleges and the students of Delhi should take advantage of this 85% reservation.**

**Now let's talk about how to prepare for the NEET exam As you all know that in the NEET exam physics, chemistry and zoology, botany comes in which chemistry, botany, ZOOLOGY comes from NCERT but students face problem in physics. Physics never comes directly from NCERT and students face a lot of problems in physics because many medical students whose maths is weak don't understand physics much and finally because of physics in their NEET exam their score reduces.**

**To understand physics we need a great tutor whose experience is at least 20 years in physics teaching and taught in any good coaching centre like Aakash Allen Kota.**

**To understand physics, we should study every chapter very deeply and understand their logic, but because we have the pressure of all three subjects, then we are not able to give so much time to physics as if we would have had only 1 year. That's why we will need some physics teacher who can explain very small physics things to us and take us to a high level of physics so that now we can solve more questions in very less time.**

**That's why we are the best teachers in Delhi who you can also call the best tutors who are the pioneers in teaching physics, you can establish contact with them who will complete your physics chapter many times in a whole year and every small physics problem.**

Physics Tutor ,Physics Classes In Delhi,Physics Tutor In South Delhi,physics tutor in355 Delhi

**The name of Kumar sir is a pioneer in the field of physics, who has enrolled many students in the government medical college of Delhi with the help of physics. If you are a student of class 11th Physics then you must know vectors very well so that you can study Kinematics, Rotational Motion, Work Power Energy and Newton's Law easily.**

**And if you are a student of class 12 physics then you must know what is the difference between direct and alternating current so that you can study physics chapters like Electrostatic, Current Electricity, Alternating Current, Magnetic Effect of Current, Electromagnetic Induction etc.**

**So don't waste your time contact the best Delhi physics tutor Kumar sir and let him know your shortcomings so that you can overcome your shortcomings and increase your physics marks.**

**Kumar sir teaches physics of class 11 class 12 IIT JEE, NEET very easily so that you can solve the physics question which you used to SOLVE in a very long time, now you can solve it in very less time.**
