**Online Physics Batch For
Non Attending And Drop
Out Students**

BY KUMAR Sir

**Study Physics For Neet IIT
CBSE**

**Tricks For Solving Physics
Problem In Minimum Time**

Don't let the subject Physics down before you even tackle it. The Neet physics sounds horribly complicated, but most of its basic level Neet Physics questions are similar - once you get the Physics concept, you get

Don't Panic! 10 Steps to Solving (Most) Neet Physics Problems

Don't Panic.

Try to understand the situation.

Read the Question Carefully.

Organize the Information.

Sketch the Scene.

V verify units.

Consider your formulas.

Solve.

Verify your results.

Practice. Practice. Practice.

There. That wasn't so bad, was it?

It's about experience, confidence and organization. Study the Kumar Physics Classes material well so you understand the concepts (even if you hate math) and understand the equations you need to use. Tackle the problems patiently and with Kumar Physics Classes, and you will see how good you suddenly become at physics. Maybe even very good. Or, maybe you'll make it to 180 marks in Neet Physics.

**Do you have any more advice on how to approach physics questions? Do you run into problems regularly with certain types of problems? Contact the best man on the earth to clear your physics concepts to clear Neet Physics With maximum marks in Physics. Contact Physics Tutor In Delhi
