## **NEET PHYSICS PREPARATION FOR MUMBAI MAHARASHTRA STUDENTS**

**If you live in Maharashtra and are a student and study in class 11th and 12th along with subjects like physics chemistry and zoology and after class 12th you have to appear for NEET exam then you will be surprised to know that in Maharashtra Your admission in any government MBBS school is only 580 marks out of 720.**

**Whereas the students of Delhi must get at least 630 marks for any government MBBS COLLEGE.**

**Whereas for Mumbai students only 580 marks are required for admission in any MBBS government school under the state quota so getting your government MBBS school is much easier Than for Delhi students.**

**For this, it is very important for you to study physics, if you have got 150 marks in your very physics exam out of 180 then with the good rank you can clear neet exam.**

**Nowadays it is the era of new technology, you can take the help of any teacher, whether he is sitting in any corner of the world, through the internet.**

**If you are having difficulty in physics and many physics questions are not solved then don't waste your time contact the best professor in Delhi Kumar sir and make your physics better.**

**This is the type of teacher who will remove your smallest physics error and lead you in that direction so that you can score good marks in any physics exam.**

**if you live in Mumbai and have a problem with physics then you can contact kumar sir who is based in Delhi and master physics from him through online class he will teach you physics from small concepts and take you towards the big concepts so that your mental development will happen and you will know its purpose as soon as you read the question, if you understand the logic of which physics science it is based on after reading the question, you can easily understand this.**
