Leaders "Say" and Mean to Drive Engagement

"Thank You."

"How can I support you better?"

"Tell me more about your work interests?"

"I really value how much you do for our organization."

"What resources or training do you need?"

"The work you are doing is really important to our success."

"You've done a great job!"

"How do you like the current project you're working on?"

"How are you?"

"How can our processes improve?"

"Can you take this on right now?"
