

## **HOLLY THIS ONE TIME STALLION SERVICE CONTRACT**

This contract certifies \_\_\_\_\_, hereafter referred to as Mare Owner, has engaged in one service to **Holly This One Time**, AQHA #5807956 owned by C&O Farms, for the mare Breed \_\_\_\_\_ Registration # \_\_\_\_\_, for the 2026 breeding season (*the breeding season shall begin February 1st and close June 31st of the year covered by this contract*) at a fee of **\$1500.00 (USD)**, which includes a **\$500 non-refundable** booking fee. Ossie Outlaw / C&O Farms, the owner and agent for the above named stallion, will herein be referred to as Stallion Owner.

1. A non-refundable booking fee of **\$500** is payable with this contract and the entire balance plus all unpaid expenses (including shipping charges) will be payable prior to shipment of semen. In the event breeding is purchased through a stallion auction or a donation, a **\$500 non-refundable** booking fee is applicable for all contracts and must be submitted no later than 30 days after end date of auction/donation.

2. The Mare Owner shall agree that the mare offered for breeding shall be in sound breeding condition and free from infection or disease. Any mare certified by the attending veterinarian not to be, in their opinion, in sound breeding condition, shall not be bred. It is the Mare Owner's responsibility to verify health and breeding soundness of the mare. It is further agreed that should the above named mare die prior to foaling, the Mare Owner listed on this contract may substitute another mare, to be bred in the current or following season only, if it is agreed upon by both the Mare Owner and Stallion Owner. Pregnancy exam must be completed within 30 days of insemination and the Mare Owner is responsible for notifying the Breeder of the result in order for a Breeders Certificate to be filed.

3. The Mare Owner is encouraged to test their mare for any genetic diseases prior to breeding. Original Cowboy is N/N for HERDA, HYPP, GBED, PSSM, MH, OWLS and IMM.

4. The Stallion Owner agrees to diligently try and settle the above named mare, if however, the mare does not settle, the Stallion Owner shall be held harmless. Mare Owner agrees to assume responsibility for all facets of breeding the mare and agrees to use all semen provided by this agreement solely to breed the Mare named above. Any attempt to use any portion of any semen shipped to Mare Owner to breed any other mare shall automatically terminate all obligations of this agreement and result in forfeiture of all breeding fees, shipping fees, booking fees and the right to a breeder's certificate.

5. **Live Foal Guarantee:** A live foal is guaranteed under this contract. "Live Foal" means the foal shall stand and nurse. It is understood that if said mare did not get in foal from previous year's breeding efforts, aborts her foal or if the foal is stillborn, a rebreed will be guaranteed the year immediately following the initial contract breeding season, providing proper notification is given. Mare Owner certifies that abortion or death did not result from any act or omission of the Mare Owner. There is no LFG Rebreed Fee for those contracts directly through the Stallion Owner in the immediate year, but a Rebreed Contract must be submitted.

a. **\*\*Breeds purchased through a Stallion Service Auction that do not result in a live foal require a \$500 rebreed booking fee** prior to shipment and are only offered the year immediately following the initial contract breeding season.

6. **Sale of Mare:** This contract is only between the Breeder and Mare Owner as listed on this contract. If the mare is sold, all aspects of this contract are made void including the Live Foal Guarantee. A Breeders Certificate will only be released to the Mare Owner listed on the registration papers attached to this contract.

7. If something should happen to the stallion, HOLLY THIS ONE TIME, where he can no longer be a standing stallion, whether hurt or deceased, then we will offer an opportunity for the Mare Owner to use frozen semen.

8. Breeders Certificates will only be issued via paper.

9.. Multiple Foals: The payments provided in paragraph 1 are for one foal for this breeding season from this Mare. Should more than one embryo or foal result from a breeding, Mare Owner shall pay an additional

Breeding Fee within 60 days of confirmed foal for each additional embryo or foal at the Multiple Mare rate.  
No breeding certificate for any foal will be issued without additional payment.
