EDUCATION

Russellville High School

Russellville, Arkansas

CERTIFICATIONS AND DESIGNATIONS

RIA

Restoration Industry Association*

<https://www.restorationindustry.org>

WLS – Water Loss Specialist ® # 198

ERS – Environmental Risk Specialist ® # 28

FLS – Fire Loss Specialist ® # 46

CLS – Contents Loss Specialist ® # 31

*To apply for an RIA Capstone Designation, the candidate must meet all pre-qualifying requirements (education and work experience), complete prerequisite courses, take the prep course and exam, and submit a capstone report for peer review.

ACAC

American Council for Accredited Certification*

<https://www.acac.org>

CIEC – Council-Certified Indoor Environmental Consultant

CMC – Council-Certified Microbial Consultant

CMCC – Council-Certified Moisture Control Consultant

CMRS – Council-Certified Microbial Remediation Supervisor

CRMI – Council-Certified Residential Mold Inspector

CSDS – Council-Certified Structural Drying Supervisor

*ACAC Council-Certified Designations require a minimum of 8 years of field experience, testing, and peer review for awarding of a Council of Engineering and Scientific Specialty Boards (CESB) qualified designation. The CIEC, CMC, CMCC, and CSDS programs are fully accredited by the CESB at the engineering-related level. The CMRS and CRMI programs are fully accredited by the CESB at the engineering-technician level.

IICRC # 166319

Institute of Inspection Cleaning and Restoration Certification

<https://www.iicrc.org>

WRT - Water Damage Restoration
ASD - Applied Structural Drying
CDS - Commercial Drying Specialist
AMRT - Applied Microbial Remediation
AMRS - Applied Microbial Remediation Specialist*
MRS - Mold Removal Specialist**
BCI – Building Construction Identification
HST - Health and Safety
FSRT - Fire and Smoke Restoration
OCT - Odor Control
TCST - Trauma and Crime Scene
CCT - Carpet Cleaning
UFT - Upholstery and Fabric Cleaning
RCT - Rug Cleaning

CCMT – Commercial Carpet Maintenance
RRT - Carpet Repair and Reinstallation
CRT - Color Repair
LCT - Leather Cleaning
CPT - Contents Processing
HCT - House Cleaning
SMT - Stone, Masonry, and Ceramic Tile
JWR - Journeyman Water Restorer***
JSR - Journeyman Fire and Smoke Restorer***
JTC - Journeyman Textile Cleaner***
MWR - Master Water Restorer****
MSR - Master Fire and Smoke Restorer****
MTC -Master Textile Cleaner****

*ARMS certification requires one year as an IICRC Certified Applied Microbial Remediation (ARMT) technician, hold the IICRC Health and Safety Technician (HST) certification or the approved equivalent (OSHA-10), and 10 verifiable microbial remediation jobs or 1,000 verified hours of microbial remediation field experience. (Per AMRS Handbook)

**MRS certification program will confirm that the successful candidate has the knowledge and skills necessary to perform mold remediation for structures and contents, design and maintain containments, control pressure differentials, safely work in mold contaminated environments, understand common remediation work practices, review protocols, design and implement remediation processes, understand and follow industry standards and legal requirements, recognize conditions conducive for causing mold growth, and how to prevent amplification and contamination for a variety of building environment types. (Per MRS Handbook) (Certification transitioned to Mold Remediation Specialist, Mold Removal Specialist no longer offered.)

*** IICRC Journeyman designations require a minimum of 12 consecutive months after attainment of specific prerequisite certifications.

**** IICRC Master designations require a minimum of 3 consecutive years after attainment of specific prerequisite certifications.

ICRA # 414

International Cleaning and Restoration Association*

WRT - Water Damage Restoration
ASD - Structural Drying
CCT - Carpet Cleaning
FSR - Fire Damage Restoration
HST - Health and Safety

RRT - Repair and Reinstallation of Carpet
AMR - Microbial Remediation
JWR - Journeyman Water Restorer
MWR - Master Restorer in Water Damage

VOLUNTEERING/COMMITTEES

Restoration Industry Association (RIA) Designation Work Verification Committee

May 2024 – Present

Role: Evaluate project summaries to determine if the applicant has the field experience necessary for the designation they are attempting to register for.

EMPLOYMENT- CURRENT AND HISTORICAL

Restoration and Remediation Consulting Group, LLC d/b/a Specialized Restoration Solutions

Russellville, AR 72801

September 2022 to Present

Founder, President, CEO

Arkansas Restoration Services, Inc.

Russellville, AR 72811

May 2004 to January 2022

07/2018 – 01/2022

Minority Shareholder, Mitigation Manager, Estimator

Managed and oversaw all emergency services, mold and biohazard remediation, and carpet cleaning crews. Responded to all regular and after-hours emergencies in a timely manner. Delegated human and job-specific physical requirements (vehicles, equipment, tools) for each project. Reported to safety manager/majority shareholder. Conducted toolbox talks. Conducted meetings and walk-throughs with key stakeholders on all jobs, including insurance representatives and property owners/managers. Scheduled, bid, and invoiced jobs using commonly with Xactimate. Inspected and/or remediated residential, commercial, industrial, and governmental buildings/ structures for IAQ, moisture, fire, mold, and biohazard contaminants. Conducted third-party testing when applicable. Conducted moisture inspections and documented losses. Hired and trained employees to adhere to regulations, guidelines, and professional standards such as IICRC/ANSI S500, S520, S540, federal laws, state regulations, and local building codes. Coordinated with all relevant parties on projects, and ultimately transitioned repair work to the General Contracting Manager.

05/2015 – 07/2018

Project Manager, Mitigation Supervisor, Estimator

Reported directly to owner. Managed entire emergency services crew. Designed job specific safety protocols and procedures. Conducted toolbox talks. Scheduled, bid and invoiced jobs. Inspected structures for IAQ issues, moisture issues and/or mold. Trained employees. Coordinated with all stakeholders on mitigation and remediation projects. Oversaw crews on job sites. Conducted third-party testing when applicable. Conducted moisture mapping and document loss for all relevant parties.

01/2010 – 05/2015

Lead Technician, Estimator

Lead assigned crew on water and fire damage, general demolition, content pack out, cleaning, floor installation, carpet cleaning, and environmental abatements. On-call rotation to assist on after-hours and weekend emergencies. Inspected structures for IAQ issues, moisture issues and/or mold. Monitored water damages, moisture mapping, and Xactimate invoicing. Conducted third-party testing when applicable.

05/2004 – 01/2010

Laborer, Technician

Part time. Assisted Majority-Owner and Mitigation Supervisors when responding to emergency water and fire damage, general demolition, content pack outs, general cleaning, floor installation, carpet cleaning, and mold remediations. Oversaw the cleaning and servicing of water damage equipment and tools. Restocked work vehicles daily. Maintained current supply levels and ensure a clean, safe warehouse environment.

CV HISTORICAL

December 2024 - Qualified by service and examination for **Certification in Building Construction Identification (BCI) Institute of Inspection Cleaning and Restoration Certification (IICRC)** Distance Learning

July 2024 – Completed the requirements for **Principles of Asbestos Abatement for Inspector Refresher**, *Arkansas Professional Environment Solutions, Inc.* in Partnership with *Arkansas State University Three Rivers Workforce*

May 2024 - Attended distance learning and completed final exam on **Crystalline Silica Awareness** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

April 2024 – Licensed as an **Asbestos Abatement Contractor**, *Arkansas Department of Energy and Environmental, Division of Environmental Quality (ADEQ)*. License number: # **225-CC-CCL-CT**

March 2024 – Certified as an **Asbestos Contractor/Supervisor**, *Arkansas Department of Energy and Environment, Division of Environmental Quality (ADEQ)*, certification number **018385**

February 2024 – Assisted in hands on instruction/teaching, **EPA Lead Renovator Initial**, Little Rock, Arkansas

February 2024 – Designated as **Fire Loss Specialist ® # 46 (FLS)** *Restoration Industry Association (RIA)*

February 2024- Completed the requirements for **Principles of Asbestos Abatement for Contractor Supervisor Initial** training in accordance with EPA 40 CFR, Part 763, Subpart E, Appendix C, U.S. Toxic Substances Control Act (TSCA) Title II and Arkansas Pollution Control and Ecology Commission Regulation 21, Asbestos Abatement, AHERA/ASHARA/NESHAP. *Arkansas Professional Environmental Solutions Inc.* in partnership with *Arkansas State University Three Rivers Workforce*

February 2024 – Completed the **OSHA HAZWOPER 8 Hour Refresher**, Virtual, *University of South Florida College of Public Health, USF OTI Education Center*

February 2024 – Completed the requirements for **Principles of Asbestos Abatement for Inspector Refresher**, *Arkansas Professional Environment Solutions, Inc.* in Partnership with *Arkansas State University Three Rivers Workforce*

December 2023 – Designated as **Environmental Risk Specialist ® # 28 (ERS)** *Restoration Industry Association (RIA)*

December 2023 – Attended and completed **Lead Renovator Initial-English** per 40 CFR Part 745.225, *proActive Safety Services*, Little Rock, Arkansas

November 2023 - Attended the **(FLS) Fire Loss Specialist ®** course, *Restoration Industry Association (RIA)* Chicago, Illinois

October 2023 - Attended the **(ERS) Environmental Risk Specialist ®** course, *Restoration Industry Association (RIA)* Philadelphia, Pennsylvania

August 2023 – Completed the requirements for **Principles of Asbestos Abatement for Inspector Refresher**, *Arkansas Professional Environment Solutions, Inc.* in Partnership with *Arkansas State University Three Rivers Workforce*

June 2023 – Licensed as an **Asbestos Abatement Consultant**, *Arkansas Energy and Environmental*. License number: **002225**

April 2023 – Awarded the *Pete Consigli Scholarship Award*, **2023 RIA International Restoration Convention & Industry Expo**, Orlando, Florida

April 2023 – Participated in the roundtable presentation *Destination Roadmap: Strategies to Advance Your Career*, **2023 RIA International Restoration Convention & Industry Expo**, Orlando Florida

April 2023 – Attended the **2023 RIA International Restoration Convention & Industry Expo**, Orlando, Florida

April 2023 – Attended distance learning and completed final exam on **40 Hour HAZWOPER** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

March 2023 – Awarded the **Registered Third Party Evaluator (RTPE) #0073** designation by the *International Dry Standard Organization*

March 2023 - Awarded the **Council-Certified Moisture Control Consultant (CMCC)** designation by the *American Council for Accredited Certification (ACAC)*. Board-awarded certification recognizes knowledge and field experience in investigating and consulting on moisture control issues in the build environment. To earn the **CMCC** designation, pass a rigorous examination based on respected industry texts, then submitted documented, verifiable field experience to a board of peers, earning a unanimous vote of approval. The **CMCC** designation is accredited by the *Council of Engineering and Scientific Specialty Boards (CESB)*

March 2023 - Attended distance learning and completed final exam on **30 Hour Construction Industry** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

February 2023 – Designated as **Contents Loss Specialist ® # 31 (CLS)** *Restoration Industry Association (RIA)*

January 2023 – Completed all the requirements for ITC certification as a **Level 1 Certified Infrared Thermographer**. *Infrared Training Center*. Certification # **142636345**

January 2023 - Awarded the **Council-Certified Indoor Environmental Consultant (CIEC)** designation by the *American Council for Accredited Certification (ACAC)*. Board-awarded certification recognizes knowledge and field experience in indoor environmental investigation and consulting. To earn the **CIEC** designation, pass a rigorous examination based on respected industry texts, then submitted documented, verifiable field experience to a board of peers, earning a unanimous vote of approval. The **CIEC** designation is accredited by the *Council of Engineering and Scientific Specialty Boards (CESB)*

January 2023 - Attended distance learning and completed final exam on **10 Hour Construction Industry** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

December 2022- Certified as an **AHERA Asbestos Inspector**, *Arkansas Department of Energy and Environment, Division of Environmental Quality (ADEQ)*, certification number **018385**

December 2022- Completed the requirements for **Principles of Asbestos Abatement for Inspector Initial** training in accordance with EPA 40 CFR, Part 763, Subpart E, Appendix C, U.S. Toxic Substances Control Act (TSCA) Title II and Arkansas Pollution Control and Ecology Commission Regulation 21, Asbestos Abatement, AHERA/ASHARA/NESHAP. *Arkansas Professional Environmental Solutions Inc.* in partnership with *Arkansas State University Three Rivers Workforce*

December 2022 - Qualified by service and examination for **Certification in Commercial Carpet Maintenance (CCMT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Distance Learning

November 2022 – Designated as **Water Loss Specialist ® # 198 (WLS)** *Restoration Industry Association (RIA)*

November 2022 - Awarded the **Council-Certified Microbial Remediation Supervisor (CMRS)** designation by the *American Council for Accredited Certification (ACAC)*. Board-awarded certification recognizes knowledge and field experience in microbial and bacteria remediation. To earn the **CMRS** designation, pass a rigorous examination based on respected industry texts, then submitted documented, verifiable field experience to a board of peers, earning a unanimous vote of approval. The **CMRS** designation is accredited by the *Council of Engineering and Scientific Specialty Boards (CESB)*

November 2022 - Attended the **(CLS) Contents Loss Specialist®** course, *Restoration Industry Association (RIA)*, Distance Learning

October 2022 - Awarded the **Council-Certified Residential Mold Inspector (CRMI)** designation by the *American Council for Accredited Certification (ACAC)*. Board-awarded certification recognizes knowledge and field experience in residential mold investigation and testing. To earn the **CRMI** designation, pass a rigorous examination based on respected industry texts, then submitted documented, verifiable field experience to a board of peers, earning a unanimous vote of approval. The **CRMI** designation is accredited by the *Council of Engineering and Scientific Specialty Boards (CESB)*

October 2022 - Awarded the **Council-Certified Microbial Consultant (CMC)** designation by the *American Council for Accredited Certification (ACAC)*. Board-awarded certification recognizes knowledge and field experience in microbial and bacteria investigation and testing. To earn the **CMC** designation, pass a rigorous examination based on respected industry texts, then submitted documented, verifiable field experience to a board of peers, earning a unanimous vote of approval. The **CMC** designation is accredited by the *Council of Engineering and Scientific Specialty Boards (CESB)*

September 2022 – Founded **Restoration and Remediation Consulting Group, LLC d/b/a Specialized Restoration Solutions**, Conway, Arkansas

August 2022 – Attended **MITMasters: Level 1 & 2 by MITClasses at I-40 Structural Drying Academy**, Portland, Tennessee

August 2022 – Awarded the **Applied Microbial Remediation Specialist (AMRS)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* designation for having completed the highest technician level of certification through continuing education, verified experience, and meeting the requirements of the Institute

June 2022 - Attended the **(WLS) Water Loss Specialist ®** course, *Restoration Industry Association (RIA)* Baton Rouge, Louisiana

May 2022 - Qualified by service and examination for **Certification in Leather Cleaning (LCT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Asheville, North Carolina

May 2022 - Qualified by service and examination for **Certification in Rug Cleaning (RCT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Portland, Tennessee

May 2022 – Attended distance learning **Project Management** *Restoration Industry Association (RIA)*

April 2022 – Awarded **Science Methodology Assessment Remediation Technology (S.M.A.R.T.) Building Science**, *Indoor Air Quality Association, Inc. (IAQA)* Distance Learning

April 2022 – Awarded **Science Methodology Assessment Remediation Technology (S.M.A.R.T.) Mold Assessment Professional**, *Indoor Air Quality Association, Inc. (IAQA)* Distance Learning

April 2022 - Attended distance learning and completed final exam on **Indoor Air Quality Association (IAQA) Microbial Remediator Course**, *Indoor Science, Inc. (IAQA)*

April 2022 - Attended distance learning and completed final exam on **Assessing Ventilation and Pressurization** *Indoor Air Quality Association, Inc. (IAQA)*

April 2022 - Attended distance learning and completed final exam **Managing Moisture 1** *Indoor Air Quality Association, Inc. (IAQA)*

April 2022 - Attended distance learning and completed final exam on **Introduction to Psychometrics** *Indoor Air Quality Association, Inc. (IAQA)*

April 2022 - Attended the **BCS Building Construction and Science Course** *Restoration Industry Association (RIA)* Reno, Nevada

April 2022 - Qualified by service and examination for **Certification in House Cleaning (HCT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Distance Learning

April 2022 - Attended distance learning and completed final exam on **Cold Weather in a Hot, Humid Environment** *Indoor Air Quality Association, Inc. (IAQA)*

April 2022 - Attended distance learning and completed final exam on **Updates on Microbiological Testing for Indoor Environmental Quality Investigation – Traditional and DNA (ERMI) Methods** *Indoor Air Quality Association, Inc. (IAQA)*

February 2022 - Attended distance learning and completed final exam on **Remediation Plans and Verification** *Indoor Air Quality Association, Inc. (IAQA)*

February 2022 - Attended distance learning and completed final exam on **Personal Protective Equipment** *Indoor Air Quality Association, Inc. (IAQA)*

February 2022 - Attended distance learning and completed final exam on **30 Hour General Industry** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

February 2022 - Attended distance learning and completed final exam on **Respiratory Protection** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

February 2022 - Attended distance learning and completed final exam on **Introduction to Mold Remediation** *Indoor Air Quality Association, Inc. (IAQA)*

February 2022 - Qualified by service and examination for **Certification in Contents Processing (CPT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Distance Learning

February 2022 - Qualified by service and examination for **Certification in Stone, Masonry and Tile (SMT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Distance Learning

February 2022 - Attended distance learning and completed final exam on **Antimicrobial Use** *Indoor Air Quality Association, Inc. (IAQA)*

February 2022 - Attended distance learning and completed final exam on **Confined Spaces** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

February 2022 - Attended distance learning and completed final exam on **Lead Awareness Training for General Industry** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

January 2022 - Awarded the **Council-Certified Structural Drying Supervisor (CSDS)** designation by the *American Council for Accredited Certification (ACAC)*. Board-awarded certification recognizes knowledge and field experience in structural drying. To earn the CSDS designation, pass a rigorous examination based on respected industry texts, then submitted documented, verifiable field experience to a board of peers, earning a unanimous vote of approval. The CSDS designation is accredited by the **Council of Engineering and Scientific Specialty Boards (CESB)**

January 2022 - Awarded **Master Textile Cleaner (MTC)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* designation for having completed the highest technician level of certification through continuing education and meeting the requirements of the Institute

January 2022 - Awarded **Master Fire and Smoke Restorer (MFS)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* designation for having completed the highest technician level of certification through continuing education and meeting the requirements of the Institute

January 2022 - Awarded **Journeyman Textile Cleaner (JTC)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* designation for having completed the highest technician level of certification through continuing education and meeting the requirements of the Institute

January 2022 - Awarded **Journeyman Fire and Smoke Restorer (JFS)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* designation for having completed the highest technician level of certification through continuing education and meeting the requirements of the Institute

January 2022 - Qualified by service and examination for **Certification in Upholstery and Fabric Cleaning (UFT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Distance Learning

January 2022 - Attended distance learning and completed final exam on **Bloodborne Pathogens** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

January 2022 - Attended distance learning and completed final exam on **Hazard Communication** *United States Occupational Safety and Health Administration (OSHA), University of South Florida College of Public Health, USF OTI Education Center*

January 2022 - Left job at **Arkansas Restoration Services, Inc.** Russellville, Arkansas

January 2022 - Family sold majority shareholder interest in **Arkansas Restoration Services, Inc.** Russellville, Arkansas

December 2021 - Qualified by service and examination for **Certification in Color Repair (CRT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Distance Learning

December 2021 - Qualified by service and examination for **Certification as a Commercial Drying Specialist (CDS)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Distance Learning

November 2021 - Qualified by verified experience, service, and examination for designation as a **Mold Removal Specialist (MRS)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)*

October 2021 - Qualified by service and examination for **Certification in Trauma and Crime Scene (TCST)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Distance Learning

September 2019 - Qualified by service and examination for **Certification in Odor Control (OCT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Little Rock, Arkansas

April 2018 - Awarded **Master Restorer in Water Damage (MWR)** *International Cleaning and Restoration Association (ICRA)* designation for having completed the highest technician level of certification through continuing education and meeting the requirements of the Institute

April 2018 - Awarded **Master Water Restorer (MWR)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* designation for having completed the highest technician level of certification through continuing education and meeting the requirements of the Institute

April 2017 - Awarded **Journeyman Restorer in Water Damage (JWR)** *International Cleaning and Restoration Association (ICRA)* designation for having completed the highest technician level of certification through continuing education and meeting the requirements of the Institute

April 2017 - Awarded **Journeyman Water Restorer (JWR)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* designation for having completed the highest technician level of certification through continuing education and meeting the requirements of the Institute

April 2017 - Qualified by service and examination for **Certification in Microbial Remediation (ARMT)** *International Cleaning and Restoration Association (ICRA)*

April 2017 - Qualified by service and examination for **Certification in Repair and Reinstallation of Carpet (RRT)** *International Cleaning and Restoration Association (ICRA)*

April 2017 - Qualified by service and examination for **Certification in Health and Safety (HST)** *International Cleaning and Restoration Association (ICRA)*

April 2017 - Qualified by service and examination for **Certification in Applied Microbial Remediation (AMRT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Dallas, Texas

April 2017 - Qualified by service and examination for **Certification in Carpet Repair and Reinstallation (RRT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Dallas, Texas

January 2017 - Qualified by service and examination for **10 Hour General Industry** *United States Occupational Safety and Health Administration (OSHA)* Dallas, Texas

January 2017 - Qualified by service and examination for **Certification in Health and Safety (HST)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)*

December 2016 - Qualified by service and examination for **Certification in Carpet Cleaning (CCT)** *International Cleaning and Restoration Association (ICRA)*

December 2016 - Qualified by service and examination for **Certification in Fire Damage Restoration (FDR)** *International Cleaning and Restoration Association (ICRA)*

December 2016 - Qualified by service and examination for **Certification in Water Damage Restoration (WTR)** *International Cleaning and Restoration Association (ICRA)*

November 2016 - Qualified by service and examination for **Certification in Structural Drying (ASD)** *International Cleaning and Restoration Association (ICRA)* Indianapolis, Indiana

November 2016 - Attended **Structural Drying** at *Chuck Dewald Structural Drying Academy* Indianapolis, Indiana

May 2016 - Attended **Hi-Tech Drying** at *Hydrolab*. Noblesville, Indiana

May 2016 - Qualified by service and examination for **Certification in Applied Structural Drying (ASD)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Noblesville, Indiana

December 2015 - Qualified by service and examination for **Certification in Carpet Cleaning (CCT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Little Rock, Arkansas

June 2015 - Qualified by service and examination for **Certification in Fire and Smoke Restoration (FSRT)** *Institute of Inspection Cleaning and Restoration Certification (IICRC)* Little Rock, Arkansas

June 2010 - Qualified by service and examination for **Certification in Water Damage Restoration (WRT)** *Institute of Inspection Cleaning, and Restoration Certification (IICRC)* Little Rock, Arkansas

May 2004 - Employed by **Arkansas Restoration Services, Inc.** Russellville, Arkansas
