

Naperville Seniors in Action

Affordable transportation for Naperville Senior Citizens

October 2019

Thanks

Thank you for participating in Naperville's only transportation option for seniors that the drivers wait for the seniors during their medical appointment.

Thank you to *Coldwell Banker - Leavenworth Team* of Naperville for their continued support of RAN.

Donate

Your donations help us continue this necessary service to Naperville senior citizens.

If you include a donation with your payment, we appreciate it. Every little bit helps ensure that we stay on the road, providing rides for seniors in Naperville. **Thank you!**

RAN to Date

- 372 Active Riders
- 39 Volunteer Drivers
- Over 3,800 Rides Completed
- Over 140 Medical Destinations

Volunteers Needed

Do you know someone who might be a good fit as a volunteer RAN driver? Please send them our way! Volunteering with us is flexible and rewarding. We are always in search of qualified volunteers to help.

Healthy Wealthy and Wise Event

We all had a great time at this year's Healthy Wealthy and Wise event in September. Here are a few pictures we want to share.

Fire Safety Month

October is National Fire Safety Month. Here are a few tips to keep you and your home protected.

- Replace all batteries in fire and Carbon Monoxide detectors and test them to make sure they are working properly.
- Remember to keep bedroom doors closed at night.
- Keep your home neat and tidy and remove flammable waste materials immediately.
- Know your exits in case of a fire. Practice your escape plan. Remember to stay low to the floor and check for hot doors using the back of your hand.
- Don't overload circuits or extension cords. Cords should not be placed under rugs or in high traffic areas. Inspect all outlets to confirm a good fit. A poor connection between the plug and outlet can cause overheating and can start a fire easily.
- October is the perfect month to have your dryer vents cleaned professionally. Clean the lint filter after every load and check for lint buildup behind the dryer at least twice a year.
