Affordable transportation for Naperville Senior Citizens

Winter 2022

Thanks

Thank you for participating in Naperville's only transportation option for seniors where our drivers wait for the seniors during their medical appointment.

Thank you to **Coldwell Banker - Leavenworth Team of Naperville** for their continued support of RAN.

Donate

During this Pandemic we need any support we can receive! You can donate by check or on our website under the "Donate" tab.

Every little bit helps ensure that we stay on the road, providing rides for seniors in Naperville.

Volunteers Needed

Do you know someone who might be a good fit as a volunteer RAN driver? Please send them our way! One of the best ways to help us is referring someone you know who might be a good fit. Volunteering with us is flexible and rewarding. We are always in search of qualified volunteers to help.

Attention: We Have a New Phone Number

To better serve our riders, we have decided to get a new phone number that our staff can answer during business hours. When COVID began, we were not allowed to work in our office. Since then, we have been checking our voicemail and calling people back. Since working from home is ideal for everyone going forward, we got a new phone number that will ring directly to our office staff during business hours. What does this mean for you? It means when you call, we can answer it right away! We are very excited to start our new number so please take a moment and update your records for Ride Assist Naperville. Our new phone number starting right away is **(331) 330-2257.**

Ride Assist Naperville in the Spotlight

We were fortunate to be featured on NCTV 17's Spotlight again. Board member Tim Ford and our Executive Director Ashley Abraham, talked about our non-profit and how it helps seniors in our community. Please view our spotlight and share with anyone to help bring awareness to the RAN Program. We are looking for new volunteer drivers to fill the many ride requests we get. Visit <https://bit.ly/3AlqTzi> to view and share it with family and friends.

We saved this place for YOU

Over the years we have been so lucky to get to know our riders. Is there something you would like to share in our newsletter? It could be a memory, recipes, tips for hobbies, artwork, and more. We invite you to send in a piece written out to submit for our upcoming newsletters. We hope to add a submission to each newsletter. We are very excited to read and share your submissions! You may send a written copy of your piece along with a photo if you choose. You can mail to our office or email at info@RideAssistNaperville.org.

Ride Requests

Please inquire with your medical team to see if you can do a phone or video call with your doctor to avoid an unnecessary visit to the doctor's office. Always confirm your appointment before making a ride request with us. As always, give us at least one week to set up a ride request.

What Our Passengers Say

"Thank you for help. I am so glad I don't have to rely on a taxicab for my rides to the doctor. You are more reliable and friendly, and I look forward to using you again."

To the Ride Assist Naperville Community

2022 - We made it! We may be a couple months in by now, though there is so much to appreciate in any passing day, week, or year. In this time, we may find ourselves taking a pause to reflect on how grateful we are to begin another day with more knowledge, memories, and opportunities ahead of us. From the standpoint of our admin team, we truly could not thank each one of you enough who have participated in the RAN program. Thank you to everyone who took a ride with us, volunteered in some way, or gave a monetary donation. We could not have done it without you! We look forward to another year bringing our service to the Naperville community.
