

Purpose - Vision - Mission Statement

Pend Oreille Economic Partnership (Bonner County Economic Development Corporation)

The Pend Oreille Economic Partnership (PEP) is the operating entity of the Bonner County Economic Development Corporation, a private 501(c)6 nonprofit economic development corporation serving our region for over two decades, and committed to working broadly across the community to develop a vibrant economy of diverse businesses and industries that offer quality job opportunities and help build prosperity for all in Bonner County.

We accomplish this by providing free and low-cost programs and services that:

- Accelerate sustainable and diversified business and industry development
- Foster quality employment opportunities for our residents
- Develop an available and capable workforce pool for our businesses and industries via:
 - Attraction
 - Workforce training, education and professional development programs
 - Retention
- Advocate for a strong public K-12 education system
- Advocacy and grant writing for infrastructure improvements and expansion
- Foster regional collaboration
- Research, develop, share and help facilitate thoughtful solutions
- Foster Innovation
- Assist companies with organizational and leadership development
- Help our community's businesses and organizations deliver greater value sustainably, in a manner that generates greater equitably dispersed prosperity

OUR CORE VALUES

- Integrity
- Commitment
- Responsive
- Respect
- Engagement
- Service
- Trustworthiness
