Covenant Parking Violation Notice

The Northern Robertson Village Association (NRVA) Board needs your help in achieving its mission and goals as a neighborhood.

The (NRVA) Board's mission is to beautify our curbside appeal and to promote neighborhood safety and fellowship. Our number one goal is to ensure that our neighborhood appreciates in value, thus increasing the value of YOUR home. We also seek input about our neighborhood with local realty companies and they share value input about curbside appeal issues. The Northern Robertson Village Association Beautification Committee has bought a curbside appeal to our attention. In order for the board to achieve its mission and goals we must act on curbside appeal and covenant violations that occur in our neighborhood. Our neighborhood covenant is the blue print that helps the board governs our neighborhood. The board hopes that you understand the reason for this request and thanks you in advance for your cooperation and prompt attention to this matter.

Northern Robertson Village Covenant 10 a. 10 b. and 10c.

1. Parking of your vehicle on the street is not permitted. Your vehicle must be parked in your garage or driveway (not on the street).

a. We ask that the vehicle be removed from street. Failure to comply with the covenant violation will result in a tow order after December 7, 2018.

Covenants can be found at our the neighborhood website
Thank you for your cooperation regarding this matter.
