

## **From Your Audience With Love & Thanks**

By Karen Nelson 2012

You are Manhattan's "Girlfriend", our Dear Bronwyn Rucker,  
Iconic chanteuse of New York's cabarets.

You bring alive memories from the 20s to 40s,  
And evoke the old Greats with creative displays.

Innovative and dazzling, your work is inspired;

An actress, a singer, a teller of tales

About Billie, or Sophie or Judy or Kate.

Your charm is distinctive – with songs you regale

Each audience - laughing and crying, recalling

Old classical favorites reaching us *now* - it's true!

Your brilliant shows - always A Night to Remember.
