

SUMMER CABARET FESTIVAL

PLAYBILL

9

Theatre: The Duplex
Various Cabaret Acts

Well it seems obvious that cabaret acts are alive and very well at the Duplex. This summer they present their fourth annual summer cabaret festival (it can also be subtitled - Best of the

Duplex). If you enjoy a pleasant evening of drinks and cabaret then I definitely suggest a stop at the Duplex. Best of all its right in the middle of the village so both before and after the performance there is plenty to do. The only thing tough about this festival is deciding which one(s) to see. It has everything from wonderfully talented singers like Nancy LaMott and Karen Mason, interesting new singer-comediennes like Helen Baldassare and Kay Cummings, to Tiffany D'Alure and Mr. Ruby Rims the Duplex's two singer, comic impersonator's." They also present Vera Galupe-Borszkh and the New York Transvestite Opera Company and my personal favorite Brownwyn Rucker a singer comedienne who's unusual stream of consciousness style make her an original and a "must see." To get information on when Brownwyn and the others perform, you can call the Duplex at 255-5438 - it will be well worth the dime.
