**Scott Seifert**

Ladysmith Head Girls Basketball Coach

*I have known Coach Boos for the better part of twelve years and experienced, first hand, his wisdom. He knows the game, loves to teach, and has the knowledge from which to pull from. Fundamentals, those building blocks of basketball, may be basic, but few teach them better than Coach Boos. Players learn easily from Coach Boos, because he breaks down his drills into understandable language, with clear, concise demo-stations. Drilling correctly with high repetitions is his method for teaching. If a player wants to shoot, score and handle the ball better, Coach Boos will help you do that.*
