Final Phase: 2025 Chamber Directory Coming Soon!

Back in 2023, we kicked off the process for a Greater Athens Chamber Directory, a printed and online resource that showcases our incredible members and community. We're now in the final stretch, and the directory will be going to print within the next month!

As part of this final phase, E&M Consulting, our official publishing partner, will be reaching out to Chamber members about advertising opportunities in the publication.

These are legitimate, approved calls. Your participation is completely optional & there's no pressure to purchase an ad, but this is your chance to be part of a resource that will circulate throughout Athens and beyond.

If you are a current Chamber business, you will be listed in the directory, ad or no ad. If you have questions or want to confirm a contact, feel free to reach out to the Chamber office anytime. We're here to help! Thanks for being part of the Greater Athens Chamber. We can't wait to see the finished product in your hands soon!
