# LETTER FROM THE DIRECTOR

The year is moving quickly, and the level of engagement has been encouraging, with 60 in attendance at our luncheon and more than 250 guests helping us end January on a high note at the Gala. We're incredibly grateful to everyone who played a role in such a wonderful celebration of our community.

The Hispanic Business Alliance Board has officially met for the first time, and the enthusiasm is already evident as we plan the year. Renewals are coming in strong, and we truly appreciate the prompt payments.

E&M Consulting is finalizing our Business Directory, and there's still time to reserve ad space before we go to print in March. It's a simple way to promote your business in over 2,000 directories across the area and stay visible throughout the year. To reserve your space, visit: [reserveyourad.com/GRACOC/](http://reserveyourad.com/GRACOC/)

As always, thank you for being part of the Chamber and supporting the Greater Athens business community.
