

HELLO JUNE

**Embrace the warmth of June
with fresh hopes, sunny smiles,
and endless possibilities.**

**Let this month inspire
your every step.**

LETTER FROM THE DIRECTOR

As we welcome June, I want to extend a heartfelt thank you to the sponsors, volunteers, committee members, and attendees who helped make the 61st Annual Farm & Ranch Tour the most highly attended in the event's history.

This month, the Chamber is excited to help host the 3rd Annual Bridal Expo, connecting local businesses with couples planning one of life's biggest celebrations. It's another great opportunity to highlight the talent and services available right here in Henderson County.

We're also hard at work planning what we believe will be the biggest downtown festival Athens has seen in more than a decade. The Jamburgeree is growing with expanded entertainment, family activities, vendors, and community involvement as we celebrate Athens as the Home of the Hamburger and the Black-Eyed Pea Capital of the World on Oct. 16 & 17.

Thank you for supporting the Greater Athens Chamber of Commerce and the businesses that help our community thrive.

GREATER ATHENS CHAMBER BUSINESS TOOLBOX

Mid-Year Business Checkup

Is Your Business Ready for the Second Half of 2026?

June marks the halfway point of the year—making it the perfect time to pause, evaluate, and prepare for a strong finish. Whether you're a retailer, service provider, nonprofit, restaurant, manufacturer, or home-based business, these simple checkpoints can help keep your business moving forward.

✓ REVIEW YOUR GOALS

- Compare January goals to current performance.
- Identify what's working—and what isn't.
- Adjust targets based on today's realities.

✓ REVIEW YOUR CUSTOMER EXPERIENCE

- Read your latest online reviews.
- Respond to every review—good and bad.
- Ask three trusted customers for honest feedback.

✓ CHECK YOUR ONLINE PRESENCE

- Is your Google Business Profile up to date?
- Have your hours changed?
- Are your photos current?
- Is your website information accurate?

✓ PREPARE FOR THE HOLIDAYS NOW

The businesses that have the strongest fourth quarter are often planning it during the summer months.

Consider:

- Inventory needs
- Staffing requirements
- Holiday promotions
- Community event participation
- Sponsorship opportunities

✓ EVALUATE YOUR MARKETING

- Which social media posts are performing best?
- Are you collecting customer email addresses?
- Have you planned any promotions for the fall season?

QUICK QUESTION:

If someone discovered your business today, would they immediately understand who you are, what you do, and why they should choose you?

If not, now is the perfect time for a refresh.

The Greater Athens Chamber of Commerce is here to help your business grow and thrive.
