

Leadership Athens Class of 2025 Park Beautification Projects Donation Form

Leadership Athens, a program by the Athens Chamber of Commerce 501(c)(6), is dedicated to cultivating and enhancing leadership skills, fostering community engagement, and promoting personal and professional growth among residents and employees in Athens. Each Leadership Athens Class selects a project that not only enhances our community but also teaches valuable lessons about collaboration and making a difference.

Thank you for supporting our mission to make Athens Parks more of a place where families can learn, play, and connect. Your generosity will help us bring two special projects to life and will help us create a lasting impact on our community, ensuring that our parks are inclusive, educational, and fun for everyone.

1. **Bilingual Playground Board at Kiwanis Park**

A vibrant, interactive board displaying common park and conversation words in Spanish and English to celebrate diversity and encourage language learning.

2. **Musical Instruments at O.D. Baggett Park**

Outdoor musical play equipment similar to below will be added to spark creativity, joy, and connection for children and families.
