CREATING EXPERIENCES
 THAT WILL LAST A LIFETIME

Welcome to Juno Weddings. I'm Jenny a wedding planner with a passion for exploring incredible destinations and creating authentic experiences.

What separates me from other wedding planners is that I offer honeymoons, bridal showers and travel as part of my services.

I work with engaged couples who have limited time to plan their dream wedding across the UK and abroad.

Through this offering, you achieve your ideal wedding experience by having a reliable single point of contact.

I help you bring your wedding vision to life by sourcing the right suppliers so you can have a stress-free wedding planning journey.
