Castello Nipozzano (17 November 2025) - *Wine Spectator*, the world's leading authority on wine, has announced **Nipozzano Riserva 2022** has been named the **#31st wine in this year's list** of the Top 100 Most Exciting Wines of 2025. The full list can be found online at [top100.wine spectator.com](https://www.winespectator.com/top100).

"Our list of honorees provides a snapshot of the year in wine, covering everything from top-scoring bottles and standout values to a wave of emerging wineries," said Jeffery Lindenmuth, Executive Editor, *Wine Spectator*. "In a year that has challenged the wine industry, our Top 100 reflects the resilience, commitment and long-term view shown by producers around the world. We hope our readers enjoy exploring these great wines, and congratulations to all the winners."

These 100 bottles were chosen from over 10,200 wines reviewed in blind tastings by Wine Spectator's editors. Selections are based on four criteria: quality (based on score), value (based on price), availability (based on the number of cases made or imported into the U.S.) and the "X-factor"—a compelling story and excitement behind the wine.

Wine Spectator's Top 100 list has been an annual highlight since 1988, showcasing the best of wine from the past year, wineries worth watching in the future, and the producers and wines that *Wine Spectator's* editors are most enthusiastic about.

The complete Top 100 package, including detailed profiles for the full Top 100 list, will be in the magazine's December 31 issue, on newsstands December 2.
