GLOSS

GLOSS

Our gloss finishes take the on-trend, high gloss look to a sophisticated new level. All Gloss doors come with White Gloss cabinets, except Pescara which comes as standard with co-ordinating Cream Gloss cabinets. If you want to create a look that's a little more bespoke you can opt for a contrasting timber effect or matt white cabinet.

Available with the following fitted ranges:

Grip, Cool Grey, Lucia, Viola, Modena, Pescara, Novara, Bianco.

High gloss Grip, looks simply stunning.

TIMBER EFFECT

All timber effect doors in our range have a complementing cabinet and all cabinet interiors co-ordinate with the front and reverse of the door, for a luxurious finish.

Co-ordinating countertops are also available - see page 73.

Available with the following fitted ranges:

Dune, Mocha, Truffle, Sofia, Odessa, Sorrento.

Dune features co-ordinating textured cabinets that feel just like real wood.

TIMBER

MATT

EDGE

NEW

Ultra modern and impressively stylish, Edge has a unique look that works with a wide range of room styles.

The new Edge basin unit in stunning Dune.

The Fall basin mixer tap (page 65) complements Edges angular basin perfectly.

White Gloss Edge basin units come with a stylish Truffle Edge.

New to our modular collection, Edge adds a unique twist, whilst maintaining all of the practical features of a traditional vanity unit. The angular inset basin achieves a modern look and the double edged drawers are not only eye catching, but allow for a sleek, handleless design. Available in White Gloss and three beautiful textured woodgrain finishes, Edge provides truly stylish storage.

EDGE

NEW

This stunning stand alone, modular unit is great for transforming your bathroom into a chic and relaxing escape.

Edge looks great in Truffle and a matching WC unit ties the look together perfectly.

FLUX

NEW

Striking geometric shapes meet seamlessly to create a distinct avant-garde look that's perfect if you want something a little bit special for your bathroom.

The stunning floorstanding Flux unit in Truffle.

A Quad mixer tap complements the Flux basin perfectly.

White Gloss doors with a contrasting timber effect interior gives Flux its unique look.

Stunning push to open White Gloss doors are accented by beautiful textured woodgrain cabinets. The deep, angular basin slopes to a point creating a geometric look that's complemented perfectly by the unique doors. A choice of wall hung or floorstanding basin units are available, as well as a complementing WC unit to complete the look.

FLUX

NEW

Make a statement with these stunning units which provide so much useful storage and look great.

Our White Gloss Flux units come with a Truffle rail for that little extra detailing that makes all the difference.

SCALE

NEW

Choose from four fantastic finishes that are sure to work exquisitely to suit a wide range of tastes and room styles.

The wall hung Scale unit in stunning Mali Oak with an integrated handle and a Fall mixer tap.

Just because a room is small, it doesn't mean it can't be stylish. The unique design of the scale basin adds a subtle twist that makes all the difference. With a super slimline basin depth of just 270mm, Scale really is ideal for even the smallest of bathrooms and it's available as floorstanding or wall hung, which allows for storage without taking up floorspace.

SCALE

NEW

Chic, compact and great for providing storage in bathrooms where space is restricted.

Our beautiful new Dune finish is perfect for creating a light fresh look.

RISE

NEW

Subtlety is key with Rise, the elegant basin perfectly complements the spacious unit and the handleless design creates a fantastic contemporary look.

Our new Dune finish is ideal for achieving a fresh, modern look.

Rise in stunning Mali Oak.

The new Peak basin mixer tap (page 65) looks great with this ultra-modern basin unit.

Create stylish storage in your bathroom with Rise. Available as floorstanding or wall hung, with a sleek handleless design, in a concise yet stunning collection of finishes and with an elegant sloping basin. We also offer a complementing WC unit and mirrors to complete the look.

RISE

NEW

Chic finishes, a deep basin and a sleek handleless design, all combine to achieve a simply luxurious look.

The elegant design of the Rise basin is simply luxurious and is complemented perfectly by a square clicker waste (page 67).

ZEST

A variety of sizes and a choice of floorstanding or wall hung units, makes Zest so versatile.

Zest units in Light Oak with elegant bar handles. See pages 60-64 for sanitaryware.

Creating your new bathroom is easy with Zest. Stand alone or wall hung basin units can be placed separately to WC units and for extra storage, our mid units are wall hung to maximise floor space. Select from one of our timber effect finishes in price band A if you're looking for a more contemporary style, or one of our high gloss finishes in price band B if ultra-modern is the look for you.

Mali Oak is a stunning choice of finish for Zest units.

TIMELESS STYLE
WITH OLD ENGLISH COLLECTION IN YOUR BATHROOM

Pictured: Old English Stone Grey, see page 110.

NEW

The Old English collection of bathroom furniture creates a truly beautiful and a timeless look.

Cashmere is a stunning finish and is a great alternative to white. An Odessa Oak countertop completes the look perfectly.

White looks so fresh and works well in smaller bathrooms.

Grooved side panels are an exquisite feature.

Beautiful hand-crafted, five panel design doors meet grooved end panels to create a quintessentially chic feel and the look is completed with a traditional style plinth. Available in soft, matt finishes, with quiet soft close hinges, carefully selected accessories and the peace of mind of a lifetime guarantee.

NEW

Available in four fantastic matt finishes, for a truly elegant look. Traditional style, taps and handles add the perfect finishing touch.

Conditions & Guarantees

INSTALLATION

Bathroom furniture is designed for domestic use in well-ventilated areas fitted with an extractor fan. Products should be installed and cared for in accordance with our fitting and care instructions. Wall mounted furniture is supplied with substantial mounting brackets, maximum loading 130kg per pair. The installer must provide suitable wall fixings dependent on the type and condition of the wall. Also it may be necessary to fix the basin to the wall separately. A secondary fix will be required on the unit by the installer. It is important that a waterproof sealant is used on cut or raw edges and particular attention should be given to areas around the basin and bath.

Brassware - Basins

Please check the compatibility of your basin with pop-up wastes before installing. Clicker wastes are recommended with all modular basins and sit-on basins.

Electrical Installations

Electrical connections should always be carried out by a qualified electrician. Lights and illuminated mirrors are IP rated to ensure they are fitted in the correct zone. Care should be taken to avoid shower spray or splashing. Electrical appliances connected to mirror canopies should not be operated whilst bathing or showering.

Mirror Canopies

Mirror canopies should be installed at your required height leaving a minimum gap of 50mm above the basin.

Illuminated Mirrors

Rating IP44
Mains 220 - 240v

There must be a clearance of at least 150mm to the lower right hand side for the motion sensing on/off switch.

Picture Lights
Rating IP44
Voltage 230v 50/60Hz
Lamps 2 x G9 25W max

Downlighters

LVKC - Rating IP20
Low voltage 2 x 10W
GLVS - Rating IP44
Low voltage 2 x 10W
Not suitable for use in front of wall / mirror cabinets with opening doors.

GUIDELINES FOR CARE AND MAINTENANCE

Furniture and Mirrors

Wipe up spills and condensation immediately with a clean damp cloth. We recommend that furniture be cleaned with a damp cloth and warm soapy water. Avoid using cleaners or polishes that contain abrasives, solvents, acid or ammonia.

Ceramic Sanitaryware

Clean with a damp cloth and warm soapy water; rinse with clean water and polish with a soft cloth. Avoid using cleaners that contain abrasives, solvents, acid or ammonia.

Cast Mineral Basins

Clean with a damp cloth, water and soap or very mild detergent, rinse and polish with a soft cloth. Avoid using cleaners that contain abrasives, solvents, acid or ammonia. Do not use caustic soda or bleaches. For a good shine use a fine polish around twice a year and then finish with a wax e.g. car wax. Full care instructions are included with the washbasin.

Brassware

Clean with a damp cloth and warm soapy water; rinse with clean water and polish with a soft cloth. Avoid using cleaners that contain abrasives, solvents, acid or ammonia.

COLOUR REPRODUCTION

Colour reproduction is as accurate as possible within the limitations of the printing process. Also note colours will vary under artificial light.

The policy is one of continual improvement and development, we therefore reserve the right to alter materials and specifications without notice.

GENERAL

All products should be inspected upon delivery and any damages must be reported within 7 days, as the guarantee does not cover any subsequent installation costs incurred if faults, which would have been evident at the time of delivery are discovered after installation.

GUARANTEES

tradePip! suppliers offers a lifetime guarantee against manufacturing and material defects on Atlanta fitted, modular and classic bathroom furniture, i.e. cabinets, doors, drawer fronts & drawer boxes and shelves.

vanity furniture is covered by a one year guarantee.

Non furniture products carry the following guarantees,

Ceramic sanitaryware and cast mineral basins are covered by five year guarantee against manufacturing and material defects.

Mirrors (excluding illuminated mirrors and mirror canopies) are covered by a 5 year guarantee against manufacturer and material defects.

Brassware is covered by a five-year guarantee on mixer and filler bodies and one-year on internal moving parts. Cisterns, sprung pop-up wastes and shower kits including handsets and metal flexible tubes carry a one-year guarantee.

Electrical fittings and components together with illuminated mirrors and mirror canopies are covered by a one-year guarantee, excluding tubes and bulbs.

CONDITIONS

The use of the guarantee is limited to domestic use by the consumer in a well-ventilated area fitted with an extractor fan.

- All products must be used in the manner for which they were intended and the guarantee does not cover products that have been misused or abused in any way.
- The products must have been installed and cared for in accordance with the fitting and care instructions and the appropriate Byelaws, Regulations and trade practices.
- The guarantee does not cover general wear & tear.
- The guarantee, which applies to the UK only, is limited to the original purchaser and is not transferable.
- The guarantee does not affect the customer's statutory rights.

In the unlikely event that a product fails within the appropriate guarantee period we will offer a replacement or replacement parts (or the nearest equivalent). Liability is limited to individual products and does not cover consequential loss, damages or any further installation costs involved. Any guarantee claims should be made in writing to the Customer Service Department enclosing a copy of the original invoice.

NOTES:

Furniture

All timber finishes are wood effects. Although great care is taken in choosing matching finishes there may be some variation due to the different materials, suppliers, batches and manufacturing processes used. The apparent colours of finishes may also vary under different lighting conditions, especially under artificial light.

Ceramic Sanitaryware

Due to the nature of materials and production processes the dimensions of ceramic items may vary within a tolerance of $\pm 5\%$. The surfaces of ceramic products may contain imperfections.

Cast Mineral Basins

Cast basins are designed and guaranteed to be used with hot water up to a maximum temperature of 65°C; this temperature must not be exceeded. Due to the nature of materials and production processes the dimensions of cast mineral basins may vary within a tolerance of $\pm 2\%$.

OUR COMMITMENT TO QUALITY AND THE ENVIRONMENT

The reputation of the company rests on the high quality of our products hence all products are inspected throughout the production process.

Our quality management system is certified to ISO 9001:2008 and covers all areas of the business from manufacturing to customer service.

tradePip! suppliers produces bathroom furniture in their own factory in the North East of England. Methods are in place to reduce waste and increase energy efficiency throughout the plant.

Our environmental management system is certified to ISO 14001:2004 standards outlining our commitment to continually improve our environmental performance.

Our commitment to minimise our environmental impact includes continual capital expenditure to improve efficiency and quality.
