Fitted

Fitted bathroom furniture is currently the most popular style in the UK. It's great for creating an uncluttered space for you to unwind, by providing storage in bathrooms of all sizes. Fitted is the simple yet stylish solution to hiding unsightly pipework.

Whether you're looking for bathroom furniture that's ultra-modern or a little more traditional, you'll find something that's perfect for you in the collection.

Modular

Create a luxury 5 star hotel look in your bathroom. Modular is a stylish and practical way of providing storage, whilst maximising the available floor space, creating the illusion of a larger more open room.

Modular furniture works beautifully in medium to large bathrooms & en-suites and for those who love the look but have limited space, we've also included a slimline version.

Linear

Linear can transform your bathroom into a spa like escape. Sleek long lines elongate the room, making it a fantastic feature in a large bathroom. Like Modular, it's great for providing storage whilst maximising floor space.

Linear creates a warm, opulent look and works best in larger rooms. We've included a wide selection of unit sizes and stunning accessories to give you the ability to create your perfect bathroom.

Enjoy the simplicity of choosing a finish that's right for you and your home. Our collection consists of four stunning finishes that have been chosen by our experienced design team for their ability to suit a wide range of bathrooms, these four finishes are available in either a slab or a shaker style.

Slab

The slab style is great for achieving a modern or a contemporary look. Easy to keep clean, this simple door/drawer design is ideal for family bathrooms and can help to give the impression of space in a smaller bathroom, cloakroom or en-suite.

White Gloss

Mali Oak

Odessa Oak

Swiss Elm

Shaker

If a more traditional style is what you're looking for, a shaker style door/drawer is the answer. The panel design adds another dimension to the finish, creating a warm and inviting feel in a larger bathroom.

White Gloss

Mali Oak

Odessa Oak

Swiss Elm

The secret to creating a stylish bathroom is in the cabinets and the key to achieving a stunning, balanced look is choosing the right cabinet size for your bathroom. All our cabinet interiors match the door/drawer finish, giving that extra special touch even on the inside and are available in three different depths, which is the distance in mm from the wall to the front of the cabinet.

These icons will guide you through this brochure and show you the cabinet depth each furniture style is available in:

Slimline

Perfect for small bathrooms, cloakrooms & en-suites, this cabinet depth is just 250mm

Standard

Great for family bathrooms, the standard cabinet depth is 365mm

Deep

Deep cabinets maximise storage in larger bathrooms with a depth of 450mm

Corner damage is a thing of the past
with our 2mm impact resistant edges

Relax in peace
with soft-close doors & drawers

Enjoy the added luxury
of glass drawer box sides

Keep cabinet interiors looking new
with wipe clean aluminium shelf liners

Strong, long lasting,
18mm thick cabinets

Illuminate your bathroom
with motion sensor interior drawer lights

tradePip! Fitted

Create an uncluttered space for you to unwind with fitted bathroom furniture, providing storage in bathrooms of all sizes and keeping pipework out of sight.

Selecting the right finish can help to give the impression of more space in a smaller bathroom or enhance the look of a larger bathroom. White Gloss is perfect for achieving a clean, spacious and modern look, whilst timber effect finishes create a warm and inviting ambiance.

Take a look at our stunning collection of fitted furniture and remember everything you see is available in all four finishes.

White Gloss - Fitted

tradePip!

White Gloss fitted bathroom furniture has long been the most popular style in the UK and it's easy to see why. Perfect for modern living this fresh, clean look is great for bathrooms of all sizes.

Spend more time relaxing in your bathroom with easy to clean & maintain White Gloss.

Available in cabinet depths:

- Slimline
- Standard

This cosmopolitan family bathroom shows White Gloss fitted furniture at its best. Styling the room with two simple colours and accessorising with a striking, bold colour, really helps to create an uncluttered, spacious look.

White Gloss units and a mirrored wall unit, like we've shown here, reflect light around the room and enhance the feeling of space; whilst the basin and wall units provide practical storage.

Complement White Gloss with a Black Granite laminate countertop.

Matching sanitaryware completes the look perfectly.

White Gloss furniture is the ideal storage solution for family bathrooms.

Mali Oak - Fitted

tradePip!

The deep, rich colouring and wood grain texture of Mali Oak is simply beautiful; bringing luxury and opulence to all styles of bathroom, from modern to traditional.

Basin units with drawers elongate a run of furniture, whilst a handy toilet roll holder is a great finishing touch.

The warm tones of this finish make it great for medium to large bathrooms, Mali Oak looks superb in both slab and shaker styles of doors and drawers. Keeping the walls and floor a neutral, complementing shade allows this stunning fitted furniture to really make a statement; accessorising with autumnal colours will further enhance the warm and inviting feel you get from Mali Oak.

Make the most of a spacious bathroom. Mali Oak fitted furniture works brilliantly in larger bathrooms and ensures plenty of storage. Our stunning sit-on basins make full use of the cabinet depth and a B90 suspended toilet adds another dimension to the furniture. Simple, yet stylish handles like the ST24 and one of our beautiful chrome basin mixer taps such as the T10 shown here, completes the look perfectly.

Mali Oak will look great for years to come
furniture it's covered by our lifetime guarantee.

Available in cabinet depths:

A matching toilet unit balances this room beautifully, here we've chosen a B50 back to wall toilet.

Swiss Elm has an understated elegance and works stunningly with muted room colours to enhance the feeling of space in a small bathroom.

Introduce a unique dimension to your fitted furniture, with a slimline curved basin unit, which has a total projection of 335mm; perfect for small bathrooms, cloakrooms and en-suites.

Keep the room balanced and light with open storage units. Linear framed mirrors are a great way of elongating the height of the room and reflecting light to create the illusion of space. Finally frame and offset this stunning soft finish with a Black Granite countertop.

Slimline furniture is ideal for creating an un-cluttered modern bathroom.

Odessa Oak is the perfect choice for bringing traditional styling to a modern home; creating a warm and welcoming feel, whilst providing plenty of useful storage for the whole family.

Keep your bathroom looking neat & tidy whilst hiding pipework with fitted furniture.

Twin basin units are fantastic if you have the space and can help to speed up the morning rush.

Mid toilet units are ideal for providing extra storage without taking up any more floor space than a standard toilet unit and... they're slimline too!

These stunning B90 basins are perfect for longer runs of fitted furniture.

Shaker, wood grain finishes are great for creating a warm look.

The mid oak colouring and wood grain texture of Odessa Oak combine to add depth to fitted furniture; making it great for medium to larger bathrooms. Bold tiles set this finish off beautifully, whilst keeping the floor and adjacent walls neutral, ensures that the room feels spacious and well balanced.

Enjoy the tranquillity of a spacious, uncluttered bathroom by combining a range of door and drawer units to provide you with a range of storage options; which is especially useful in family bathrooms. Balance the room with a mid toilet unit, which will provide you with further storage and hide unsightly pipework. Complete your bathroom by making clever use of accessories such as; tall linear mirrors with downlighters, stylish chrome handles like the ST04 and chrome mixer taps, such as the T20 we've shown here; all of which reflect light and draw your eye to this stunning furniture.

One of the first and most important questions when planning and designing your new bathroom is 'how much will it cost?' that's why we've included this handy price example page.

Fitted bathroom furniture can range greatly in price depending on the size of your bathroom and the overall look you want to achieve, therefore to make things easy we've made all four finishes the same price.

Here we've shown a mix of base units and wall units, as well as a bath panel to give you an idea of how a complete assembly of fitted bathroom furniture can look, but you can opt for any combination you wish. Speak to your Bathroom expert advisor, let them know the size of your room and your budget; they will be able to suggest some good options which fit the bill.

White Gloss linear in the shaker style, creates a glamorous, retro look. It's also a fantastic way of enhancing the feeling of space... it's easy to clean too!

White Gloss linear furniture with a shaker style drawer finish brings an unusual twist on a modern look.

Choosing a shaker style drawer unit in a modern White Gloss finish creates a unique and slightly quirky style, which retro tiles complement perfectly. We've shown white wall and floor tiles, accented by a bold, striped design, however this bright stylish finish is great for decorating and accessorising with any colour.

Enhance the feeling of space by positioning linear basin units separately, which maximises the floor space as well as showcasing the feature wall. Deep basin units like the ones we've shown here provide an abundance of storage and bench basins like the B10/01 allow for open countertop storage. Tall linear mirrors that are slightly narrower than the basin units help to frame the furniture and reflect light around this stunning glossy bathroom. Achieve a perfectly balanced bathroom with a toilet unit and a suspended toilet like the B50. Accessorise with modern ST05 chrome handles and taps such as the T20 we've shown here.

Guarantees & Conditions

Guarantees

A lifetime guarantee against manufacturing and material defects applies to bathroom furniture and fittings.

Ceramic sanitaryware and cast mineral basins carry a 5 year guarantee.

Brassware is covered by a 12 year guarantee on mixer and filler bodies and one-year on internal moving parts. This guarantee covers manufacturing defects providing that the product has been installed correctly and the correct plumbing practices have been carried out. Cisterns, sprung pop-up wastes and shower kits including handsets and metal flexible tubes carry a one-year guarantee.

Electrical fittings and components are covered by a one-year guarantee, excluding tubes and bulbs.

Conditions

All guarantees are limited to domestic use of the products by the consumer in a well-ventilated area fitted with an extractor fan. The guarantee is offered on all products used in the manner for which they were intended and does not apply to products that have been misused or abused in any way. The products must have been installed and cared for in accordance with our fitting and care instructions and the appropriate byelaws and regulations. The guarantee does not cover general wear and tear.

In the unlikely event that a product fails within the stated guarantee period we will offer a replacement or replacement parts (or nearest equivalent). Liability is limited to individual products and does not cover consequential loss, damages or further installation costs involved. The guarantee, which applies to the UK only, is limited to the original purchaser and is not transferable. This guarantee does not affect the customer's statutory rights.

Notes:

Furniture

Furniture materials - due to the nature of materials and production processes the dimensions of furniture may vary within a tolerance of $\pm 2\%$. All timber finishes are wood effects. Although great care is taken in choosing matching finishes there may be some variation due to the different materials, suppliers, batches and manufacturing processes used. The apparent colour of finishes may also vary under different lighting conditions, especially under artificial light.

Ceramic sanitaryware

Due to the nature of materials and production processes the dimensions of ceramic items may vary within a tolerance of $\pm 5\%$. The surfaces of ceramic products may contain imperfections.

Cast mineral Basins

Cast basins are designed and guaranteed to be used with hot water up to a maximum temperature of 65°C , this temperature must not be exceeded. Due to the nature of materials and production processes the dimensions of cast mineral basins may vary within a tolerance of $\pm 2\%$.

Colour Reproduction

Colour reproduction is as accurate as possible within the limitations of the printing process. Also note colours will vary under artificial light. The tradePip! policy is one of continual improvement and development, we therefore reserve the right to alter materials and specifications without notice.
