Choose Click

Installing a Quick-Step® Livyn floor is simple thanks to the patented Uniclic® Multifit for Livyn click system. This system is highly user-friendly, quicker to install and a lot more solid than other systems. We have shown here a range of accessories for tasks during the installation, finishing and maintenance.

WHY USE A QUICK-STEP® LIVYN UNDERLAY?

Installing the right underlay has a major impact on the final look, quality and comfort of your Quick-Step® Livyn floor. The high-quality Livyn underlay is easy to install, creates a level base for your new floor and provides excellent acoustic insulation.

- A Quick-Step® Livyn underlay levels and helps to **prevent irregularities and pressure marks**
- It offers good **sound insulation properties** towards the room below and **reduces creaking noises** when you walk across the floor
- This strong and durable underlay is **ideal for the Uniclic® Multit click system**
- It is perfectly suitable for **floor heating and/or cooling**.

Choose Glue

If you prefer to glue your floor, the Quick-Step® range also includes a special glue for Livyn floors. this glue is of the highest quality and was specially developed in conjunction with the glue specialist soudal.

WHY USE A QUICK-STEP® LIVYN GLUE?

- **Spreads easily**, guarantees fast adhesion and offers the highest strength
- **Doesn't run out** after spreading and provides the best stability in the market
- **Prevents gaps in the floor** caused by temperature differences
- **Damp-proof** and therefore ideal for a Livyn floor
- Perfectly suitable for **floor heating and/or cooling**.
