Brassware

Nothing creates a bespoke look like a statement tap. And with over 50 stunning ranges to choose from, we're confident we can help you find the perfect finishing touch. We want to turn every element of the bathroom into a pampered experience, which is why our brassware collection offers stylish solutions for common peeves, like dripping faucets and hard-to-mix temperatures. Plus, all of our styles are crafted from solid brass and are fitted with ceramic disc technology — giving you durable designs that keep bathroom efficiency flowing.

Don't miss

Our new black and copper brassware, **see page 270**

The **Spa Electronic Basin Mixer**, fitted with smart, energy-saving technology, **see page 262**

aquaflow® aquaflow® aquaflow™
Italia Italia edition

The **Aquaflow** collection is Frontline's own brand of brassware for all tastes and budgets. Each style is rigorously tested to ensure a smooth operation, time and time again.

If you're wanting added luxury, the **Aquaflow Italia** taps are manufactured in Italy and infuse bathrooms with a mix of European and spa-inspired quality, while our **Aquaflow Edition** have been picked for their fabulous engineering and style.

Finding your water pressure

LP1 Pressure systems lower than **0.1 bar**

LP2 Pressure systems lower than **0.5 bar**

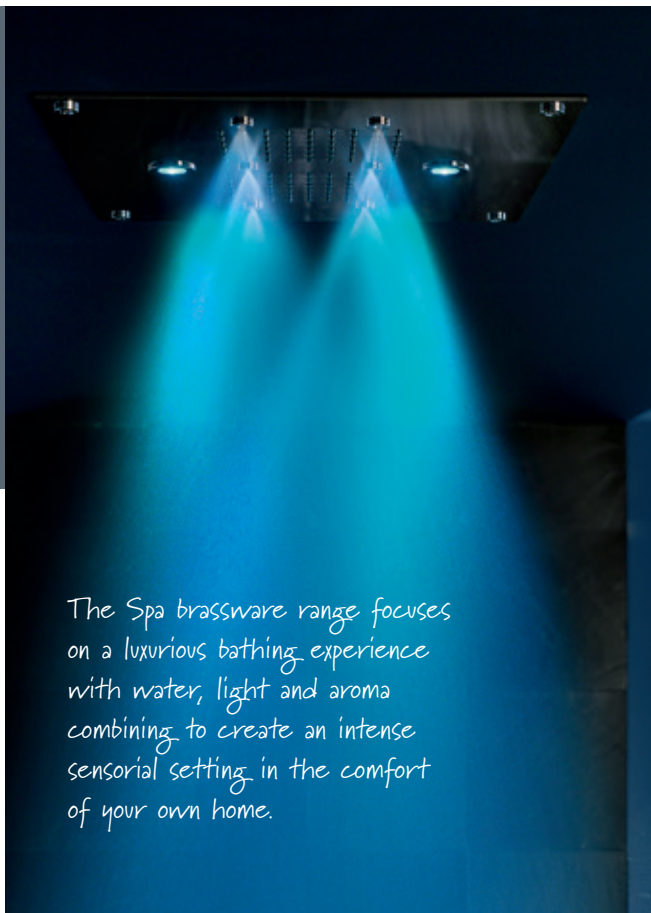

MP Pressure systems over **0.5 bar**

HP1 Pressure systems over **1.0 bar**

HP2 Pressure systems over **2.0 bar**

HP3 Pressure systems over **3.0 bar**

We recommend consulting your plumber if you're not sure which water pressure is best for your home.

The Spa brassware range focuses on a luxurious bathing experience with water, light and aroma combining to create an intense sensorial setting in the comfort of your own home.

The mixer tap's solid design is transformed by a band of light varying in colour - harmonising with the temperature of the water.

Intelligent technology regulates the supply of the water, adjusts the flow and monitors the temperature, whilst power is guaranteed by a battery mounted under the sink top.

Move away from perpendicular lines to reach a new dimension with your brassware. Angled taps are great for bringing life and movement to vanity units.

Bridge the gap on low-level sinks with a slanted basin spout. The streamlined Maya Mono has a targeted pointed spout, ensuring water falls smoothly into the sink.

NEW

Brassware gets a traditional-modern twist with the Vara. Boasting sloped shapes and classical detailing, its playful take on Edwardian style gives it a bathroom look that's still very much now. Designed to make a statement.
