Who Should Sign Up?

- *Are you Newley Qualifed and looking for work?
- *Are you Long term Qulified and looking to start up on your own?
- *Are you already running your own Business but looking for more Work?
- *Are you Busy Now but want a Profile for when times are Slow?

If you can answer yes to any of the above then ATS (approvedtraderscheme.org.uk) is for you and we can cater for all trades that Sign up with us at ATS.

ATS (approvedtraderscheme.org.uk) Are part of a 2 times Award Winning Business British Central CorporateLiveWire Pristage Awards.

ATS (approvedtraderscheme.org.uk) Was Formed and developed with one Goal in mind and that was to help you grow your Trade Business and ours at the same time for the best prices possible and in the best way possible Plus Providing you with more than other Trade Platforms there fore Providing the best value for money also.

Giving the Best Support Best Start and also a better Web Page Profile with more tools for you to grow your Business more exposure more interaction in short the Best for less and more for your money We are now proud to say after a lot of investment and after 2 years in development alone and well here it is what are you waiting for wait no more the wait is over.

ATS (approvedtraderscheme.org.uk)

Wellcome to ATS

(approvedtraderscheme.org.uk)

you are about to find out about the first ever trade platform to offer you a way to buy your product without using the normal merchants and help keep your business from VAT longer By supplying Goods direct to site.

Plus more than that we also provide you with Pre Planned Pre agreed and approved jobs already singed off by the customer ready to install and complete which is fully project managed for you for free.

This is on top of the jobs already hitting your inbox direct from our customers so this is not only saving you time and money it helps run your bussiness more smoothley as everthing is already taken care off allowing you an hassle free work life balance to do the things you love to do, Just turn up to jobs and do your thing and consentrare on what you do best.

Romve The Risk Factor?

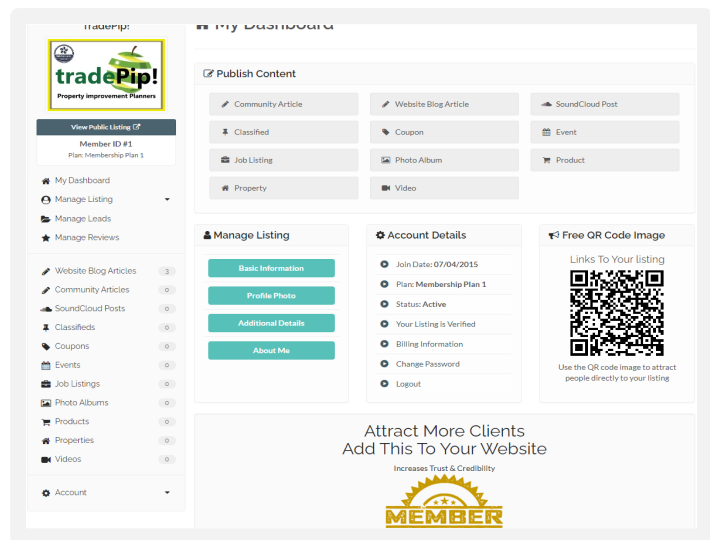

As we can supply the goods direct to the customer it removes the risk of you not paying for the goods upfront and then not getting paid by the customer in time for when your account is due or even not at all so will help control your cash flow.

Plus as this will also lower your turnover of items being brought on your merchant account and so lower the risk of having to have your business VAT registered, Sound great right ready to sign up well wait there is more yet.

Tools With Your New Profile Web Page.

You will also get a Web Page packed with amazing Tools you dont get with other Trade Platforms as a Verified member Along with the 5star reveiws you can receive from the great work you complete.

See below our Unique Tools you Get as a Verified member which sets us apart from other trade platforms out there.

Our Unique Tools:-

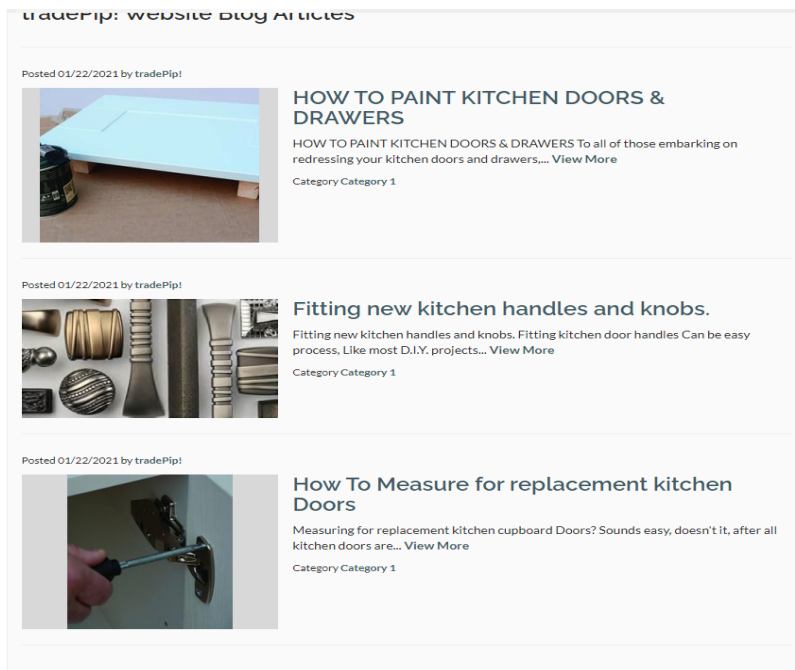

- 1= Blogs and Community Articles (Show customer you know your trade)
- 2= Coupons (Offer Your Customer discounts and special offer)
- 3= Photos and Videos (Upload and showcase your work in the best way)
- 4= Events (Promote and hold your own events)
- 5= Classified (Sell items like old Tools Products your old Van etc)

All of the above adds more ways for your profile web page to be found more easily online and on top of this there is even more features not listed this is just a few.

Plus more still, you can create your very own QRCode to share and send people direct to your listing and web page making it even easier for customers to find your business online to see your great 5star reviews and web page you set up and built, over time something to be proud of show off. Now you are rally starting to see why ATS (approvedtraderscheme.org.uk) is the best.

Starting to see the benefits of being listed on ATS (approvedtraderscheme.org.uk) But still not quite convinced and would like to know more then contact us at (contact@approvedtraderscheme.org.uk) Our Friendly team will only be more than happy to help you and even help you choose the correct plan for your business.

The Blogging Tool is a 3Point Advantage

1. Its an opportunity for you reach out and advertise to our customers visiting our website.
2. If a customer does a web search about the problem or product you are blogging about they may find it and then want to talk to you about it.
3. It is also an opportunity for you to showcase to customers you know what you are talking about and why they should contact you above other Pros to get the work done making it more likley you will win the work.

Your About Page

Here you write a full discription of your Business and what you stand for your UPS.

You can have a main heding or slogan strapline what ever you wish to use to catch attion here for customers to see. The more info you add here it will give the customer a good insite of what you can offer so make the most of it.

The more they can read about then the more they will feel they know you Which will install more conferdance in them to want to call you for a quote to find out more.

So use this space to advertise you Business as much, and in the best way possible so be sure to spend the time to make sure you get just right and on Point.

So if there is to little information they may just pass you by dont get left behind.

“Your Property our Passion”

About tradePip!

Award-winning Home Improvement specialists utilise UK-leading SafeContractor accreditation to demonstrate their commitment to compliance and COVID secure working

SafeContractor audit process helps Property Improvement Company of the Year (2020/21) tradePip! to attain Health & Safety excellence and build customer trust.

tradePip! are a Midlands-based mini trade merchant, with over 20 years' experience in providing property improvement products and services. Working with traders, landlords and property developers, tradePip! utilise their SafeContractor membership to enhance their Health & Safety compliance.

“tradePip! offer bespoke products and services to support a range of home improvement projects undertaken by our customers. We work on projects as principal contractor and project manager to ensure that we do deliver quality, efficiency and competitiveness to our clients.” commented Grant the CEO and Director at tradePip!

“We joined SafeContractor to demonstrate to our customers that our risk management processes are up to date and compliant. The audit process helped us to enhance our understanding of Health & Safety requirements and the processes and procedures our business needs to have in place to keep our customers and employees safe while carrying out works. We have also developed five steps to working safer to ensure our company is COVID-19 secure, including detailed COVID-19 risk assessments and social distancing procedures.”

Alcumus SafeContractor, the UK's leading health and safety accreditation, verifies an organisation's health and safety compliance and connects contractors to leading organisations through an online portal.

Gemma Archibald, Managing Director of Alcumus SafeContractor, said: "No-one goes to work to get injured. Major organisations simply cannot afford to run the risk of employing contractors who are not able to prove that they have sound health and safety policies in place.

“SafeContractor plays a vital role in supporting our clients in meeting their compliance needs, whilst working with their contractors as they progress through the accreditation process.”

The Best Way to Get More Quote Opportunities

If you have Completed a job With us we will automaticley send an email to the customer on your behalf once you let us know the job is complete.

This way it saves you having to remeber to do it and also helps you become more established within the platform and save you haveing to ask for the review and this way we can monitor the review to make sure it is fair before being published.

So after blogging about your experiance and experties as shown on the prvious page and gaining all your 5star reviews we advise for you to uplude sharp clear images and videos of your great work you have proviusley done.

If you need to mitre an internal or external corner into your moulding, we strongly suggest that you do this with a powered precision saw. Do not attempt to cut a mitre joint by hand.

When you have cut the mitred lengths lay them out on the kitchen floor and glue the faces of each joint before taping together. Leave the tape on until the glued joint is set, then pilot drill and screw fix the finished assembly to your wall cabinet.
