# KITCHEN CABINETS

Our made to measure range of fitted Kitchen Cabinets offers style and practicality.

Design and functionality are seamlessly partnered with an extensive colour range that will blend perfectly with your choice of kitchen doors. Incorporating Blum hinges and drawer systems ensures years of reliability and service with a life time guarantee on all Blum products.

We offer cabinets made to suit any of the Handless systems on the market. Drawer units have a choice of Blum Metabox, Blum Tandembox Antaro (stainless Steel) and the Legrabox soft close drawer system. The entry level Metabox budget range is a steel sided single extension drawer box with matching 18mm solid base and back that fits into any room with ease.

The TANDEMBOX 500 deep is our signature drawer system that has been impressing furniture users and manufacturers with its proven technology for many years. The TANDEMBOX antaro programme line offers a wide range of design possibilities and minimalist design options. TANDEMBOX antaro is all about clean lines, whether it's open with a gallery or a closed drawer box with a side design element. All components are colour-coordinated. Minimalist design meets proven technology.

We are the biggest Stainless steel user in the UK, this has proven to be a huge success for many years for us, supplying this drawer system 500 deep as standard gives you 30% extra storage space at no extra cost, Optional Tip On push to open is also available

Legrabox is an award winning deluxe drawer system that offers slim lines, along with interior and exterior straight sided panels at only 12.8mm thick, it is impressively slim. LEGRABOX wins you over with its uniform 3-sided drawer concept with the latest fittings technology. Colours available are Orion Grey and Silk White and Anti fingerprint Stainless Steel with the smoothest closing action, full extension drawer runners and optional Tip On push to open is also available, just a light touch closes even the heaviest laden drawer with ease.

Kitchen cabinets are supplied with Blum standard hinges, and 150mm Adjustable legs, Full height gables are available on request.

2mm ABS edging on all front edges available on request +10% per unit price.

As well as standard sizes detailed in the catalogue, also offers a custom made bespoke service, capable of producing cabinets to any size, height, width, depth and specification.

Please note:

All heights exclude 150mm Legs

## More space in the kitchen

SPACE TOWER can be accessed with impressive ease, provides ample space for provisions and can be tailored to each customer's individual needs, meaning this well-designed larder unit provides optimum support for everyday kitchen use.

## With all box systems

SPACE TOWER offers a high level of design freedom. There are two box systems available with a wide range of design variants – LEGRABOX and TANDEMBOX. If the customer wishes, the design of the entire kitchen can be made consistent

## Features

Blum Legrabox Space Tower Complete with Unit And Drawers

- Set of five drawer boxes
- Integrated Blumotion Soft closing
- Blum life time guarantee
- Set includes 1 x M height and 4 x C height drawers along with 155° zero protrusion hinges
- Each drawer arrives assembled
