Certainly, we are all spending a lot more time at home at the moment. Are you finding yourself daydreaming of your next home improvement project? Perhaps your bedroom, bathroom, or kitchen is in need of some love and attention. Or perhaps you are ready to create a brand new home working space with custom-fitted furniture?

We are here to help.

Although our showroom is currently closed our amazing design team are still bustling away at home creating beautiful and functional spaces for our wonderful customers.

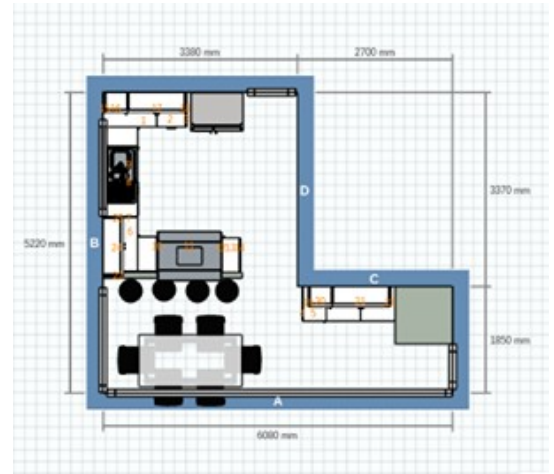

We are excited to offer a **FREE virtual design consultation**. We are able to discuss and share with you your custom 3D design so you can really see what we can do to revamp your space, all while keeping everyone safe at home.

How does it work?

1). Show us your space

What is the plan? Send us some pictures of your room along with its dimensions.

Samples available

2). FREE design consultation

Connect with our expert designers over the phone or online. They'll get to know your style, how you use your space and will create a 3D design to suit both your needs and budget.

Just let us know if you would like to take a look of our selection of samples.
