

Shower Enclosures

Our Aqua range of showering enclosures offers an impressive collection of designs, capturing the very latest in innovation.

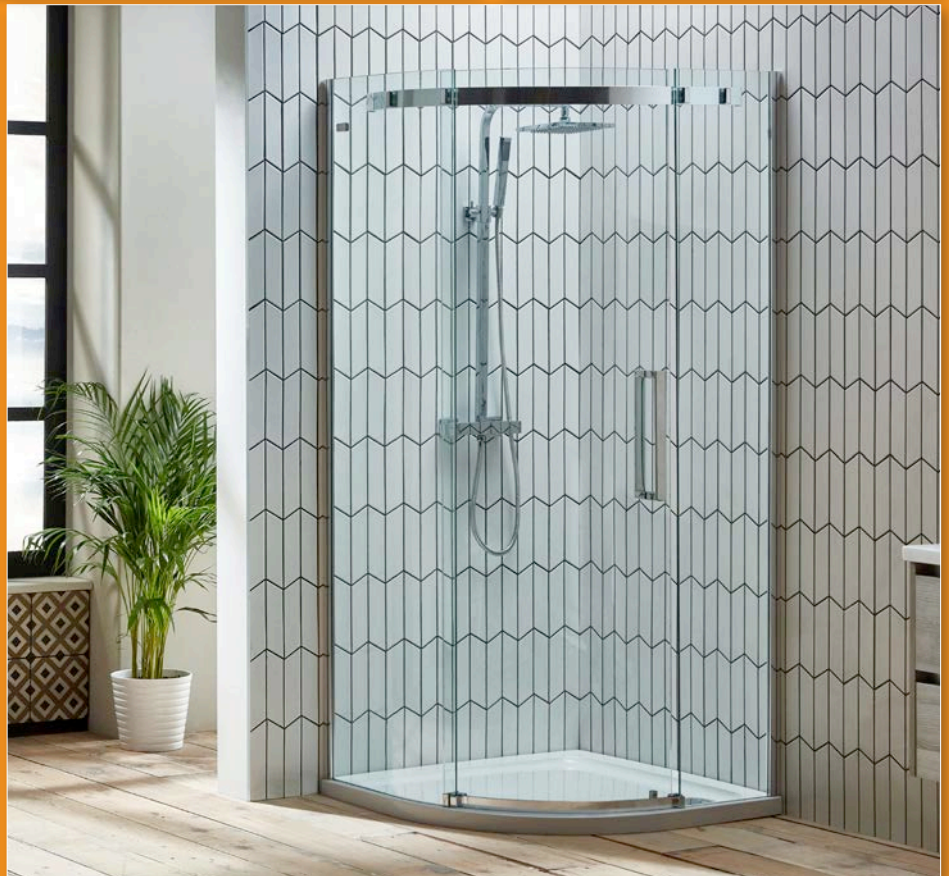

From the modest style of our quadrant enclosures to the chic elegance of the frameless collection which includes sliding doors, single door quadrants and the stunning range of walk-in enclosures, we have an enclosure solution to suit every setting. Not only does the range of Aqua enclosures offer superb choice but also excellent value for money. We guarantee style without the price tag.

Our Aqua enclosure collection also combines a range of options from market leading manufacturers, presenting key trends in enclosure design and guarantees excellent customer service and support to ensure that your dream bathroom is complete.

Find your perfect enclosure in our exciting range. With something for everyone from space saving quadrants to practical walk-in designs and wetroom panels - all with a host of stylish features.
