What is Modular Bathroom Furniture?

Zest Wall Hung Furniture Shown in Mali Oak

What is Modular Bathroom Furniture?

Modular Bathroom Furniture allows for space between the units and is designed to be individual units with modern and simplistic design. It gives the freedom to install the basin and WC where required. This on-trend style is perfect for creating a up-to-date bathroom. The sleek appearance of each unit creates a striking feature in any space. Our Slimline Basin Units are perfect for a cloakroom, while our larger units are perfect for an en-suite or family bathroom as they boast a large basin and practical storage.

What are the benefits?

Modular furniture maximises storage even in small bathrooms, it can help keep bathrooms looking neat and tidy. While hiding any unsightly pipework to create a tranquil space.
