Easy to Install....

Installation is quick and easy, saving money in comparison to traditional methods. Offering a 'straight over tiles' solution, Selkie is simple to install and easy to clean - the smooth surface ensures that mould and germs cannot gather. There's no need for grouting and a quick wipe down will have Selkie board looking like new.

Selkie board can be supplied with a complete range of required finishing trims - internal corner, external corner, end cap, quad end cap and H section (for joining square edged boards). All profiles are available in satin aluminium, polished silver, black or white finishes.

Panseal Kit

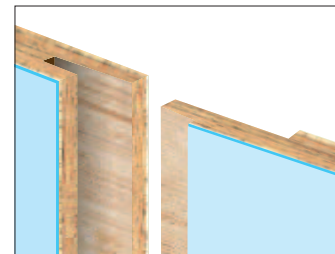

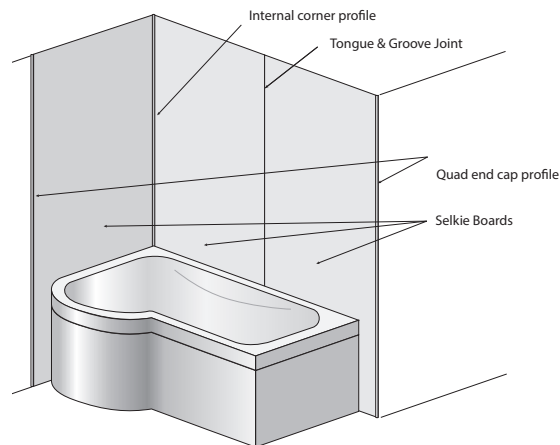

Panseal provides a long lasting and watertight fit when installing Selkie Boards with a traditional shower tray. board collection offers a simple, modern solution for your bathroom or shower cubicle. All stocked boards have a solid 9mm core made from water and boil proof (WBP) plywood and are available in square edged, for use with our wide range of finishing trims, or as tongue & groove jointed to achieve a seamless finish.

F2101 Includes 2 x 1.85m lengths, 2 x silicon tubes. **£66.00**

Creating this room requires:

- 3 x Selkie boards (one square edge, 2 tongue & groove)
- 1 x Internal corner joint
- 1 x Colour matches sealant
- 2 x Quad end caps
- 1 x Clear silicone
- 3 x panel adhesive

Tongue & groove joining is used where a tight, solid seam is required between separate Selkie boards. It provides an exceptionally accurate finish and with correct use of sealant, provides a water tight joint.

Selkie Board

Our new range of 30 modern, innovative textures and decors will transform your bathroom or shower room with remarkable results. The latest Selkie board collection consists of market leading 3D effects and the very latest colour palettes.

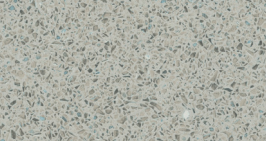

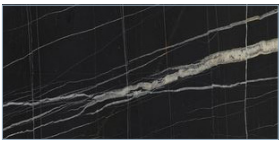

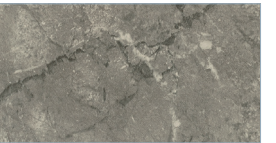

*Also available in Tongue & Groove.
