God is using ordinary people to achieve extraordinary things!

1,427,256 Salvations

Dear TFEA/Freedom Team Partner,

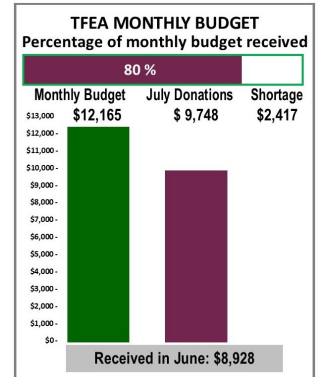

Praise God, Praise God, and Praise God! The Lord is continuing His great work of bringing tens of thousands of lost souls into His kingdom each month. The growth from the 20 prisons and the many WAY Churches is continuing faster each month. **Praise the LORD in song, for He has done excellent things;**

let this be known throughout the earth. Isaiah 12:5 NAS

We are so appreciative of all that God has done and continue to see how He is using this movement to bring a life changing REVIVAL to Uganda.

Thank you, Partners, your prayers and financial support are being used to build the Kingdom of God in Uganda as the Lord builds His Church.

Bless you, Tom, Carla, Joy, David, Steve, Ted, Hector, Evangelist Bryan, Loice, Alex & Doreen, Evangelist Joshua, Superintendent's Team & the Freedom Team

"The Multiplication of Churches continues to Erupt!"

Evangelist Bryan Writes: Praise the Lord Jesus. We have entered the second half of 2026 with an incredible harvest. While many expected this great move of God in Uganda to slow down, it is instead gaining momentum. **We are beginning to believe that a worldwide revival is starting right here.** Who knows what God can do? In this season, we truly believe that anything and everything is possible!

Reflecting on how God is using ordinary people to achieve extraordinary things, we want to thank each of you. We know for certain that we could not have accomplished these great things without your faithful financial support, prayers, spiritual guidance, love, patience, and trust.

We extend a special thank you to our spiritual parents, Tom and Carla, for your invaluable spiritual guidance. We are also deeply grateful to all our partners and friends whom God has used to make this possible. Thank you for making a lasting impact for the Kingdom here in East Africa. I truly do not know of any other ministry, past or present, that has reached so many people in such a simple, Godly way.

Prisoner Testimonies on How the Word of God changes lives

Evangelist Joshua picking up another 5300 Bibles from the publisher.

John, male, 53 yrs. old, Biharwe Central Prison
I came here as an impulsive and angry man, always getting into trouble easily and fighting with other inmates, all my scars on my body I was burned by hot food soup or I was hit with metals by the security, but now Jesus has changed me into a calm and peaceful man.

Robert, male, 41 years old, Kakiika Prison
Being caught up in a cycle of crime and prison, I felt deeply ashamed of my past and did not want to live anymore. I ended up being invited to the Prisoners of Pain...God's Grace video session at the hall, the Freedom Team handed me a Bible, on that day I repented of my past and surrendered my life to Jesus, and the guilt that weighed me down was gone since then, and I am part of the Freedom Team staff here in Kakiika, thank you Jesus for the freedom.

Evangelists Bryan & Loice

Evangelist Bryan & Loice - July 2026 Praise Report & Analysis of Activities

1,240 WAY Churches 92,098 Salvations 56,752 Men, Women, & Children Baptized

Ministry Growth and Prison Outreach: We are currently operating in 43 geographical locations with 43 Way Church Centers. These centers support 1,240 Way Church clusters, overseen by 1,290 elders (with 30 elders serving faithfully at each of the 43 centers).

The multiplication of churches continues to erupt, heavily fueled by our prison ministry.

As we reach out to inmates, Uganda's revival is breaking out of prison cells and spreading to communities across the nation.

Updates on the Closed Districts (Kaberamaido Region):

In the Kaberamaido region, which has been locked down due to the Ebola virus threat, we have 2 additional centers and 33 active churches running. Despite the restrictions, these fellowships continue to grow. The government has indicated that these districts may reopen within a month, and we are eagerly waiting for the Ministry of Health to officially declare Uganda Ebola-free. We look forward to visiting these areas physically as soon as the gates open. Please rest assured that our teams remain safe, healthy, and taking all necessary health precautions seriously.

The Impact of Bicycles in the Villages:

Thank you so much for the gift of bicycles! Previously, our elders had to share, with 8 to 10 elders relying on a single bike. Now that we have received 10 additional bicycles, we are distributing them to the new centers that had no transport at all. This provision means the world to us, especially in remote villages where bicycles are the most effective way to navigate the terrain. Thank you for being led by God to ease our workload.

Prayer Requests:

Please continue to pray for our protection as a nation through this Ebola health threat. There is light at the end of the tunnel, as some districts are expected to open very soon. Thank you for your unceasing prayers.

May the good Lord richly bless you and grant you good health!

Bryan and Loice, TFEA operations directors, EAST AFRICA

TFEA & The Freedom Team: Prison Activity and Events Report - July 2026

251 Prison Events 12,729 Salvations 1,020 Rededications 13,729 Inmates Baptized

Current Active Prison Facilities: 20

Total Active Prison Cell Churches: 1,339

Executive Summary & Acknowledgements:

We thank God for sustaining our ministry as we begin the second half of 2026. He has blessed us with a mighty harvest, peaceful and safe operations, and above all, good health for all our staff. We extend our deepest appreciation to our dedicated TFEA partners and spiritual parents. Your consistent financial and spiritual support over the years is the reason we have come this far. We continually depend on your invaluable advice and the guidance of the Holy Spirit, which have been the foundation of our successful monthly

outreach operations.

Impact & Testimonies: The Power of the Word:

Hallelujah! We have received the newly provided Bibles, and the inmates are overjoyed. Even when three to five people must share a single copy, it remains their most treasured possession. For many, the Word has become more important than physical nourishment; one testimony revealed that inmates would rather skip mealtime to read the Bible before passing it to someone else, ensuring they utilize every possible minute in the Word. Furthermore, released inmates demonstrated incredible generosity this month by donating 41 Bibles back to the ministry to help those still serving time. Many have cited The WAY Bible as their greatest source of comfort during their sentences, particularly in their final years.

Health, Safety & Team Well-being: We thank God for the physical strength, dedication, and resilience of our volunteer teams, which allow us to maintain a consistent and highly impactful ministry.

Team Health: We praise the Lord for granting our entire team continued good health through the first half of 2026. Our teams are deeply thankful for your ongoing support and find great joy in serving the Lord.

Ebola Precaution: Official government communications have indicated that districts previously affected by the Ebola virus will reopen in a month, restoring access to these formerly restricted areas.

Vision for the Future: We are praying and believing in God's provision to advance to more prisons across East Africa. If it is His will, our goal is to cover all five target regions over the next few years. As we plan, we rest entirely in His will.

Evangelist Joshua, Prison Teams Director, Uganda

Mexico

Evangelist Hector Soto - July Report: 1 Rehabilitation Events 11 Salvations 7 Rededications

Hector is still recovering from being thrown from his horse a couple of months ago. His x-rays have determined that he has injuries to his lower vertebrae and his pelvis. He has been receiving shots from his doctor and has been advised to be careful and not walk long distances as he continues to heal. He is doing rehabilitation centers as he is able right now and trying not to over do! He said that God still surprises him every time is goes to a center. He is humbled and grateful to be used by the Lord and feels refreshed and rejuvenated each and every time. Halleluiah

Widows' House Construction Continues

Evangelist Bryan Writes: Widows' House Construction Update

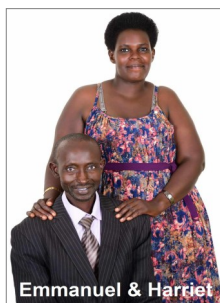

We also want to say a massive thank you for your generous support toward constructing houses for widows. Thank you for funding another home this month! We have successfully completed all 24 structural frames and have filled the walls with foundational rocks. We are currently installing the doors and windows.

We are now waiting for the upcoming rains, which will provide the perfect soil conditions to mix, mold, and build the mud walls. The final step will be applying the concrete plastering, after which the widows can move in.

James 1:27 *Pure and undefiled religion in the sight of our God and Father is this: to visit orphans and widows in their distress, and to keep oneself unstained by the world.* NAS

Superintendent Emmanuel & Harriets - July Report

Greetings in the mighty name of our Lord Jesus. I want to take this opportunity to thank God for a bountiful harvest, the continuous expansion of His work, and the incredible progress of the WAY of Jesus Ministry. We praise Him for the souls saved and the new centers established. Through this ministry, we have been blessed to encounter new people, explore new places, and witness the unique, powerful hand of God at work in our generation.

The dedicated team of 30 elders at each center has been mightily used by God in this extraordinary journey, sparking a powerful spiritual revival across Western Uganda. The unwavering commitment of these teams serving faithfully without any direct supervision is undeniable evidence that the hand of God is guiding our every step. We praise God for granting us the understanding and grace to obey His way, the Jesus

way. What a profound mystery!

Praise the Lord for the bicycles! As we all know, the outreach of our TFEA WAY church leaders has expanded incredibly over the past few months, thanks to equipping our key leaders with bicycles. I want to take this opportunity to thank you for the 10 additional bicycles that are on the way. Up until now, most elders have been sharing a single bicycle, while several new centers had none at all. We thank God for these 10 new bikes, which will make our ministry work so much easier. Our ongoing strategy is for 8 to 10 elders to share a bicycle, depending on the workload at each center.

Alex and Doreen's teams of five are doing a great job ensuring that everyone is baptized immediately after salvation. This prevents a backlog of candidates waiting for baptism. Because each new believer is baptized right away, regular baptisms have become a primary responsibility for all our ministers. This consistency allows us to keep pace with the rapidly rising number of new believers.

We have successfully completed all 24 frames for the widows' houses and are currently installing the custom doors and windows from the carpentry. Our volunteers are eagerly waiting for the rains to begin so they can start mixing the mud and building the walls. This will be followed by concrete plastering, and shortly after, the widows will move into their new homes. Thank you so much for restoring hope and joy to God's people in Rwenjeru and across Uganda.

Faithfully, Emmanuel & Harriet Mujuni, Ministry Superintendents

Praise God For:

- * The explosive growth of the 1,339 prison cell churches and the 1,240 WAY House Church clusters.
- * The health and safety for all our Teams.
- * The finances coming in that enabled us to send off funds for more bicycles & 1 widow home.
- * The growth of new WAY house church clusters and prison cell churches.
- * TFEA Partners whose prayers and support continue to make our ministry possible.

Prayer Requests for TFEA & The Freedom Team

- * Continued protection for health and travel for all the TFEA teams.
- * For wisdom for the doctors and researchers as they look to help the Ebola patients.
- * That finances will continue to be sufficient for the ongoing operations of the TFEA ministry.
- * Continued life changes inside and outside the prisons.
- * The spiritual wildfire of growth to continue and be blessed as it spreads over Uganda & beyond.

More Bibles Needed

More Testimonies of how The Bible Miraculously Transforms the Lives of Prisoners!

Enoch, male, 48 years old, Nyabuhikye Prison

I am serving a very long sentence here in Nyabuhikye prison. I think I have about 20 years left, and over the years I was convinced that I will die before I leave here, so life became meaningless, just to sit here and wait for my death doing nothing. I felt deeply trapped by anger and unforgiveness and with time my life was completely ruined. Three months ago, the Freedom Team that visited gave a Bible to a group that was part of my cell and I happened to share with them one day a week, there were 6 of us so I asked for a Sunday to stay with the Bible and give it back to them on a Monday, in just one day I was able to read the first four gospels, I never thought I would have such appetite of reading, and the life that was coming out of that small book gave me a way to ask for forgiveness, by evening I had started to understand why I needed to forgive, no one talked to me but this small book broke the hardness of my heart and I felt God's peace replace my heavy anger. From then on, I have stopped focusing on my physical chains. Instead, I have started reading the Bible every day and growing my faith. I have been able to get my own Bible now, sometimes I lead a Bible study in my cell block.

Mushoka, female, 39 years old, Kakiika Prison

I was terrified of prison life. Surrounded by shouting and violence, I stayed awake every night crying for almost a year. I was about to die because of fear, a friend took me to the cell church where I received Christ and was baptized that day, and I received a Bible from the visiting Freedom Team. I turned to the gospels and read, the miracle that Jesus did for the widow of Nain brought me deep comfort and my fear has slowly melted away. I have begun to sleep peacefully, trusting God to protect me and set me free. I was instructed to share my Bible with other women, we study together daily and pray together.

Kiryowa, male, 52 years old, Kiruhura Prison

I had always felt that my mistakes were too big for God to forgive. I felt completely hopeless and planned to end my life here. The night before my plan, was when the Freedom Team visited and gave Jonas, my friend, a small white Bible, when he went to sleep, I began to read it all night, I eventually landed on John 3, I read the whole chapter, I read that Jesus came to give us life and life that is full, and these words brought a spark of hope. I woke Jonas up and asked him to lead me to Christ, he said he never knew how to do it because he had just received Christ that day, so he tried to recall the words they used to pray for him and he asked me to say, today I, Kiryowa, I have received Christ, that is all, I said that and we all slept. I had not felt such peace in my sleep that night for a long time, I knew that truly Jesus had saved me I realized my life still had a purpose since then and the suicidal thoughts have disappeared since then.

Meddie, male, 61 years old, Kakiika Prison

I was leading a street gang in Kamwokya before I was sentenced to decades here in prison, I got my Bible from the Freedom Team in 2024 and I started reading the gospels and attending cell church services daily and my transformation shocked all the guards and inmates, from a rough, dangerous, rude and aggressive man to a humble and kind man, my aggression slowly turned into kindness and patience. I am now a Freedom Team member here in Kakiika prison mentoring and helping others through our cell church services and I feel life has a purpose even here in prison because of the testimonies of people that have changed because of my personal testimony.

Ellena, female, 43 years old, Nyeihanga Prison

I have struggled with severe drug addiction and my many crimes brought me here to prison. The Freedom Team provided me with a Bible during their visit and a small booklet. I started praying alone and sometimes with friends while reading my Bible. And now I have learned to replace my cravings with prayer and scripture memorization. God's Word has given me the strength to stay sober. I have found real freedom even while locked away. I will be helping new inmates to get sober and to use my God given experience to teach them how to heal.

James, male, 73 years old, Rukungiri Prison

I was consumed by bitterness. I blamed the justice system of Uganda and my former friends who betrayed me for my situation. I started reading a small Bible provided by the Freedom Team on the day I got saved at the hall. I read Jesus' teachings on the cross. I became annoyed when I realized that I had to forgive the people who hurt me. But I prayed a long prayer to let my anger go. Forgiving them lifted a massive weight off my shoulders. I finally felt true peace, I am now known as a peacemaker in my dorm. I regularly counsel all inmates on how to forgive others during our daily cell church services as a cell leader leading service twice daily.

Simon, male, 39 years old, Nyeihanga Prison

I always felt like a total life failure since I came here early last year. I believed the lies the world told me that I was useless and unloved. Since the day I joined the prison cell church and got a copy of the Gospels. I started reading how much Jesus loved me. Reading about God's love in John 3:16 has changed how I see myself; my cell has become a place of worship during cell church sessions instead of sadness. I have memorized scriptures and learned to pray, hoping one day I will be out of here, please keep me in prayer.

Thomas, male, age unknown, Prisoner

I grew up without a father, part of why I got involved in crime. We are not allowed to gather at the cell church because of the nature of our case, but they allowed the Freedom Team to talk to us through the window bars and I received a copy of the Bible that day, my Bible has been with me in my darkest cell. Most of my time is spent praying and reading God's Word. I was able to write a letter to my wife and children repenting and asking for forgiveness, a thing I thought I would never do.

Romans 10:17 'So faith comes from hearing, and hearing by the word of Christ.' NAS
