Only God can make this miraculous growth possible!

Dear TFEA/Freedom Team Partner,

Evangelist Bryan writes: *We stand today as living witnesses to the absolute faithfulness of God, testifying that every word the Lord spoke to His servants in the early years of this ministry has been perfectly fulfilled in our day. In those foundational years, the visions given to us seemed too immense for human hands to achieve, yet our God has proven that what He promises He is more than able to perform. We have watched prophecies transition from spoken words into living realities, most notably the breathtaking harvest of* ***one million souls brought into the kingdom of Jesus Christ****. Alongside this monumental milestone, we have seen countless promises of expansion, deliverance, and spiritual breakthrough come to pass, proving that the vision was truly birthed by God, sustained by His unwavering hand.*

Thank you, Partners, your prayers and financial support are being used to build the Kingdom of God in Uganda and we greatly appreciate your being a partner with us as God changes Uganda.

Bless you, Tom, Carla, Joy, David, Steve, Ted, Hector, Evangelist Bryan, Loice, Alex & Doreen, Evangelist Joshua, Superintendent's Team & the Freedom Team

Evangelist Joshua Tukesiga - *Ministry Profile for TFEA East Africa*

Evangelist Joshua Tukesiga is a dedicated servant of God whose ministry spans a lifelong calling to youth mentorship, educational outreach, and a powerful, grace-led transition into prison evangelism with TFEA East Africa.

Youth & Educational Outreach - Called from a young age to the ministry, Joshua's primary focus and passion initially centered on the younger generation. He spent years reaching students, educators, and youth within universities and schools, investing deeply in spiritual guidance and building up young believers in educational spaces.

The Divine Pivot Through "Prisoners of Pain... God's Grace" - While deeply committed to youth outreach, Joshua experienced a profound divine redirection. Upon watching the **TFEA video documentary "Prisoners of Pain... God's Grace"**—which chronicles the remarkable movement of God's grace and transformation among inmates—he witnessed firsthand the incredible power of redemption behind bars. Hearing God redirect his path through the film, he felt an immediate calling to expand his ministry into the prison system.

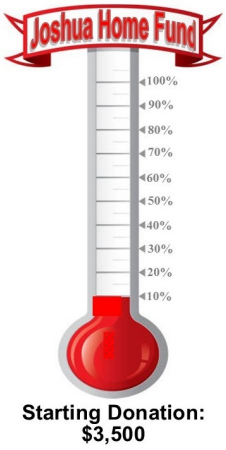

Active Service with TFEA East Africa - Following that transformative experience, Joshua embraced this new chapter with unwavering commitment. He has since become a vital and highly active member of the TFEA East Africa Prison Ministry, where he passionately shares the message of hope, salvation, and Christ's unconditional love with individuals behind bars.

Pastor Tom notes: Joshua, age 35, has been serving in the TFEA Uganda Prison Ministry since December 2nd, 2021 and is currently overseeing all operations of the TFEA East Africa prison ministry.

We would like to purchase land and build him a home. He would like to someday get married and have a family. If you would like to help us provide for Joshua please contribute to TFEA and note your donation is for **Joshua Home Fund**.

Thank you and Bless You!

Ministry Growth and Prison Outreach: Ministry Growth and Prison Outreach.

We are also overjoyed to share and celebrate with you the good news of the undeniable move of God across Uganda. We are thrilled to announce that our **WAY Church Centers have expanded to 50** this month, up from **47 last month**, allowing us to anchor deeper roots in the communities we serve. Beneath these centers, our **1,419 WAY Church clusters** rose to new heights, engaging an astounding **121,238 recorded respondents** who are actively participating in our gatherings.

The prison ministry's **1,462 cell churches** witnessed a powerful spiritual harvest, recording **12,953 salvations** in September alone. Seeing so many souls cross from darkness into light and return to their first love is a beautiful testament to the life-changing impact of **TFEA**.

We thank God for our field teams who have been doing a truly magnificent job, demonstrating the courageous and untiring spirit of Joshua and his army as they take new ground for the Kingdom. We are deeply grateful for leaders like the Emmanuel's family, as well as the family of Alex and Doreen, who have thrown their whole hearts into organizing, managing, and coordinating these vast operations. Their hands-on leadership has been vital in keeping our networks unified and spiritually vibrant. This month, their efforts culminated in multiple baptism services.

Reflecting on the past few weeks, we can confidently declare this month an absolute, resounding success. Every single scheduled prison outreach, baptism event, and community gathering was successfully fulfilled without interruption. God has protected our teams health, enabled the provision of Bibles to the inmates, and given us a great harvest. We feel as a Team that revival has begun from our nation to the world. **Bryan and Loice, TFEA operations directors, EAST AFRICA**

Executive Summary & Acknowledgements

Warmest greetings to you, our cherished spiritual parents, partners, and friends. As we close out the month of September 2026, we are grateful to God's faithfulness yet again. We thank every one of you for walking with us through your faithful prayers, encouragement, and wise counsel. We praise the Lord for His hand of protection that has faithfully guarded us, our teams, and our families. We have had good health, peace, and divine provision, allowing us to carry out the calling placed on our lives without hindrance. Thank you for your support, making it possible for us to meet every operational need and keep our hands steady in the work.

By God's grace and through your support, we are deeply humbled to report that every schedule and outreach planned for our prison ministry this month was successfully fulfilled, and we have witnessed lives touched and encouraged. This monthly soul harvest reminds us that He is a God who provides seed to the sower and bread for food; the work is entirely His.

Operational Updates & Outreach Locations

Our team members continue to report to us that inmates transferred from our current prison ministry locations have started active cell churches in their new facilities—previously 4 locations, but now two more have been added to our information. These are places where our work is active through the transferred inmates, but we have not physically reached these places as the Freedom Team. They have successfully carried our cell church system with them, creating new communities we haven't yet reached. We look forward to expanding our ministry to these new prisons soon, namely:

Kembogo Prison: Mixed-gender facility experiencing initial cell church planting.~ **Mubende Main Prison:** Mixed-gender facility receiving transferred believers. ~ **Rwemiyaga Prison:** Women's facility ignited by relocated members carrying **'The WAY Bible'. ~ Kyegegwa Prison:** Mixed-gender facility where spiritual revivals have spontaneously begun. **~ Katonga Prison:** Mixed-gender facility also ignited by the inmates who went **with The WAY Bibles. ~ Rubanda Prison:** Mixed-gender facility where the transferred inmates started cell church meetings mornings and evenings.

Indeed, the Word travels ahead of formal administrative entry, and God has already gone ahead of us to areas we have not physically reached, the influence of TFEA continues to touch lives even in our absence.

Impact & Testimonies: The Power of the Word

The way of Jesus Bible remains the most precious gift a prisoner can ever receive. Within the dark and isolated walls of prison, a Bible is not just a book; it is a lifeline, a source of unwavering hope, and a constant companion. For inmates, receiving a copy of God's Word represents the ultimate tool for true rehabilitation and spiritual awakening. As they dive into its pages, they discover a message of unconditional love, forgiveness, and a second chance at life. This divine encounter completely shifts their mindsets, healing old wounds and replacing anger and despair with an overwhelming sense of peace and divine purpose. **Evangelist Joshua, Prison Teams Director, Uganda**

Widows' House Construction Continues

Evangelist Bryan Writes:

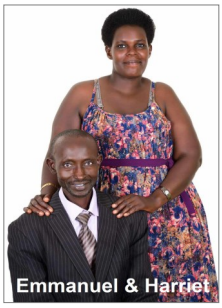

We praise God for His continued faithfulness and the incredible progress on the 72 Widow Houses, which are now 80 percent finished! Even though the expected seasonal rains have not yet arrived, the dedication of our volunteers has been nothing short of inspiring. Refusing to let the dry weather halt our progress, they have chosen to manually fetch water from available wells to mix the mud and continue building the walls. Their tireless efforts and resilient faith are keeping this mission moving forward day by day as we collectively look to the heavens and pray for the Lord to open the floodgates soon.

We only received two brief rains at the very end of September, and we are praying earnestly for more abundant rain throughout October. May the Lord God grant us the rain we need to sustain our communities and ease the labor of our volunteers. We remain full of hope and faith that the widows will be moving into and occupying their brand-new homes by the end of November. **Note:** We have used up all the land that was donated 4 years ago.

The Bicycles in the Villages

Evangelist Bryan Writes: We are deeply grateful for your incredible generosity and support in providing more bicycles, which safely arrived in September. Your continued support is a profound blessing to the TFEA ministry here in East Africa, especially the WAY Church Leaders. These bicycles are far more than just a means of transportation; they are powerful tools that break down geographical barriers, allowing us to extend our reach and deepen our impact across communities that were previously difficult to access because of distance. Thanks to your timely gift, these bikes have already been fully distributed to our new centers and our Evangelists have wasted no time putting them to use. They are already traveling through the local villages actively conducting baptisms, coordinating community events, and carrying out all aspects of vital ministry work. Seeing the immediate impact of these bicycles as our leaders move efficiently from village to village fills our hearts with joy and we remain profoundly thankful for your effort in making this fieldwork possible. (Note: we now have 65 bicycles being used in our Uganda WAY Church ministry).

Emmanuel & Harriet

Superintendent Emmanuel & Harriet - September Report

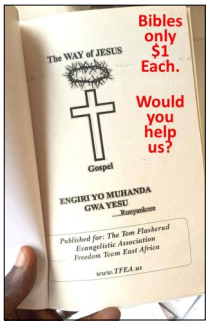

Superintendent writes: We pour out our deepest gratitude to God for His remarkable provision of more bicycles for our evangelists**.** Received in September, these bicycles serve as vital tools for kingdom advancement. They empower our ministry teams to traverse difficult terrain and efficiently navigate remote regions. Because of this timely provision, our evangelists can now readily reach previously unreached communities conducting baptisms, coordinating events, etc. and our hearts overflow with thanksgiving as we witness God providing 72 brand-new homes for our precious widows**.**

At the Mega Center, a beautiful spirit of unity has taken hold as every single volunteer works tirelessly to fetch water and secure materials. This collective effort ensures that construction stays on track for completion this **November**. Thanks to this divine breakthrough, these women will finally celebrate a joyful, secure, and peaceful Christmas inside their very own homes. Also we praise God for answering our prayers by providing durable cooking pans to replace broken, unsanitary clay pots**.** For too long, the widows endured the hardship of preparing meals in cracked earthenware that could not be properly washed with water without risking damage. They were forced to simply dry the pots and scrape away old residue before cooking again. The imminent arrival of these healthy, easy-to-clean pans brings immense relief and dignity to their daily lives, matching the excitement of entering their new homes.

Faithfully, Emmanuel & Harriet Mujuni, Ministry Superintendents

Testimonies of TFEA leaders and the Miraculous Transformation of their lives!

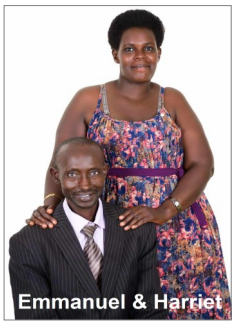

These people below are part of the TFEA East Africa ministry under the direction of **East Africa Operations Directors, Bryan & Loice Ohiirwe**

Alex & Doreen:
TFEA Field Operations Supervisor of WAY Churches and Centers

My name is Alex, and today I stand before you as a man completely transformed, serving God alongside my dear wife, Doreen. If you had seen me over seventeen years ago, you would have looked at an outcast. **For years, I lived a life of high-level criminology**. I terrorized the Rwenjeru community, and the villages grew to hate me. I was seen as a danger, a reject, and someone beyond saving, and that's exactly how I saw myself, so I had nothing to protect. Eventually my crimes caught up with me. **I was sentenced to prison, facing a hopeless future with thirteen years behind bars**. I had absolutely no hope of ever returning home. I believed I was destined to rot in that prison cell. To make matters worse, I had left behind my young family of three. With no hope in sight. My wife, Doreen, eventually moved on, married another man, and even had a child with him. My life was broken, scattered, and entirely finished by human standards. **But God had a different plan**. My turning point came unexpectedly during the **TFEA "Prisoners of Pain" outreach**. They came into our prison cell and hosted a video documentary show right there in the prison hall. As I watched that screen of testimonies I saw myself. The Holy Spirit pierced through my hardened heart. That very day, I experienced a miraculous salvation. I wept, broken as I was, surrendered my life to Jesus Christ, and received my very first Bible. For the first time in my life I felt true freedom, even while locked behind iron bars. Then, the miracles kept coming. **God supernaturally opened the prison doors and I was released shortly**. When I returned home the real test of my new faith began. Instead of anger, God filled my heart with supernatural love. I forgave Doreen completely. I took her back, along with her newborn child, and we restarted our family together under the grace of God. Shortly after my release, I began serving faithfully at WAY House Churches and participating in prison outreaches alongside Evangelists Bryan and Loice. Recognizing the fire God put in my heart, the ministry blessed me with a motorbike to serve as the **Field Operations Supervisor of WAY Churches and Centers**. My main responsibility today is conducting baptisms. Through this ministry, I have had the profound honor of baptizing thousands upon thousands of new converts monthly. This is, without a doubt, the best position I have ever been in. I am filled with so much joy and I would love to do this for the rest of my life. Today, my family is happy, my wife is happy, and we are whole. Thank you, TFEA, for transforming lives worldwide. **I am living proof that no one is too lost for God to rescue.**

Emmanuel & Harriet Mujuni:
TFEA Regional Superintendents for the WAY Centers

We serve as Superintendent and assistant superintendent of **TFEA East Africa**, but our journey to the Ministry's Mega Centre Headquarters is nothing short of miraculous. Before finding our divine calling, my life was defined by hardship and isolation. I spent **22 years in prison**, a staggering period during which I was completely separated from my wife, Harriet, and our **13 children**. Left alone, my wife Harriet carried the immense burden of raising our large family under the heaviest of circumstances waiting for a day of restoration that only God could bring to pass. While serving my sentence, my path crossed with the late **Shabban**, a foundational pioneer of our TFEA cell churches and prison ministry first converts. We shared a deep, complex history, we had grown up together, walked the same troubled paths, and ultimately ended up in prison together. It was within those dark prison walls that Shabban encountered the TFEA Freedom Team and the Prisoners of Pain gospel events. The message of Christ shattered my spiritual chains. In a beautiful display of divine timing, we were transformed by the Word of God and released from prison at almost the exact same time. Upon my release, I reunited with Harriet. Bound by a shared faith and a renewed marriage we went to **Rwenjeru village**. We did not hide from our past; instead, we used it as a platform to preach the gospel. Our testimony of transformation quickly ignited the Rwenjeru community. The speed of God's work in our Rwenjeru area astonished many including the government, just a few months after launching our first TFEA WAY Community Church our service to the Lord later grew into the appointment to become the **Regional Superintendents for the WAY Centers**, stationed at the **TFEA East Africa Mega Centre Headquarters**. When I look out from the Mega Centre today I am overwhelmed by wonder, remembering the days when my life consisted only of looking after other people's cows and goats, followed by the dark decades spent in a prison cell. I ask myself, how God could choose someone with my background for such a great task. We remain deeply humbled to be part of the TFEA ministry, fully aware that it is not by human merit **but by God's sovereign training and unmerited grace that we have been lifted from the prison yard to the forefront of His kingdom.**
