

**TFEA & The Freedom Team - EAST AFRICA PRAYER & PRAISE REPORT: 02-06-22**  
**EVANGELIST JOSHUA TUKESIGA'S PRAISE REPORT & ANALYSIS OF JANUARY EVENTS—2022**

**Praise the Lord almighty**, 2022 has begun with **another powerful move of God**, its very clear God is working in the lives of inmates, we are so thankful to God for the **Gift of Bibles** to the inmates, this is going to help us to make disciples in obedience to the Scriptures **MATTHEW 28:20, "teaching them..."** **this was a Miracle to begin the year with**, and **for the first time am seeing thousands come to Christ** since the Lord Jesus added me to the prison Ministry, its wonderful to be part of this ministry, **the**

**present move of God in East Africa.** I also thank God for the good health and provision for His work through the TFEA and FREEDOM TEAM, my team and I are so grateful to the Lord for making us part of this very unique, powerful and effective way of Evangelism that we had never experienced before.

**God has given us favour with the wardens and the entire prison stuff.** Our Sunday services are going on and impacting, **transforming lives of Inmates**, testimonies from our testimony box and our Sunday service testimony time are evidence of Gods grace upon the inmates.

**Indeed a revival is starting in Prison to the rest of the country**, we have seen this through their testimonies seeing **many vowing to serve the Lord** in and outside the walls of prison, Testimonies of Former drug addicts that have been transformed and many that God has saved from suicidal thoughts and given them a new hope. We are looking forward to even a more fruitful month of February.

God's Blessings to you all. Evangelist Joshua & Team (TFEA Uganda.)
