***Praise Report / Prayer Request Special Bulletin 04-05-22***

***Praise #1 - Over 11,000 Prisoners come to Christ in March***

***Praise #2 - 7 Churches Started at Kakiika Prison***

We are excited to report that God has blessed the vision he gave to Tom at the end of January and miraculously arranged the people and details to start Prison Churches inside the Kakiika Prison.

Each Church consists of 100 prisoners and we currently have 6 Men's Churches and 1 Women's Church (more added each week) meeting twice-a-day for an hour in the mornings and an hour in the evenings.

***Evangelist Joshua writes:*** *I was able to attend a few sessions with the Kakiika warden, and this will be very effective and will greatly impact the lives of the inmates, growing stronger and stronger spiritually as we already noticed.*

*The Prison Churches at Kakiika are growing and 1000 people are having two services daily throughout the week.*

*Each Prison Church has a leader (the cell leader may not necessarily act as it's pastor but someone to keep order and more spiritually mature, everyone is encouraged to participate in the service but keeping the order). We are closely in touch with the leaders to help them keep our order of service.*

*The service involves deep prayer, praising and singing and worshiping God, there is also time given for the testimonies, and ministration of the Word.*

*Sometimes the testimonies are almost like a preaching, each stands up and gives an encouraging testimony and expressing his joy in the new walk of salvation, and this takes longer time because everyone wants to express the joy that they have in Lord.*

**Prisoners inside the Kakiika Prison**

**Aaron, Prison Warden & Evangelist Bryan with Sound Systems**  
*thoughts recently as the church grows at Kakiika weekly.*

***Evangelist Bryan writes:*** *Also I am realizing that with time we shall not be able to have all of the Prison Churches use the sound systems as they will be very many and as they increase they will have to use the same time of worship at some point.*

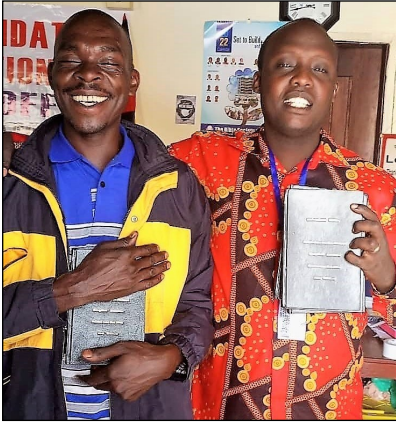

*I was thinking that in future we shall make a timetable in a way that the churches can use the speakers in the one weekly Sunday service and then have their daily services without the speakers so that they should not depend on the speakers that it won't affect them when the service runs without them. I have been having these*

**Note:** TFEA has supplied the Kakiika Prison Churches with 8 Sound Systems for the prison churches to use and the prison provides a room where they are kept secure and charge the batteries until church times. As you can see in the picture, the prison warden is very happy and excited with the development of these prison churches and the WAY the prisoners lives are being transformed.

## ***Special Prayer Requests 04-05-22***

### **Our biggest need now is more Bibles**

During the month of March we had over 11,000 prisoners receive Jesus Christ into their lives and each one was given a New Testament Bible. We are receiving 5,000 more Bibles in the Runyankore language this week. We anticipate that we will continue to see this rapid growth as God continues to pour out His love and hope on these East African prisoners. We should have enough Bibles after the 5,000 Runyankore Bibles are printed to make it through the month of April. We also have about 5,000 of the Luganda Bibles which should also last through April.

**Prison Warden & Bryan with Bibles**

From Feb. 8th when we began distributing Bibles to the New Believers we will have printed 25,000 Bibles and now we see the need for many more. We are currently in 10 prisons and more have invited our Teams to come to their facilities. We will need many more Bibles, tens-of-thousands more by the end of the year.

Our TFEA Board of Directors has established a perpetual Bible Fund for any person or group that would like to contribute so the African Prisoners who are receiving Jesus Christ will have a New Testament Bible. If you know of someone who would like to contribute to this need they can send a check to our mailing address and mark Africa Bibles in the memo line or visit our website at [www.TFEA.us](http://www.TFEA.us) and click on the **DONATE** tab and mark 'Africa Bibles'.

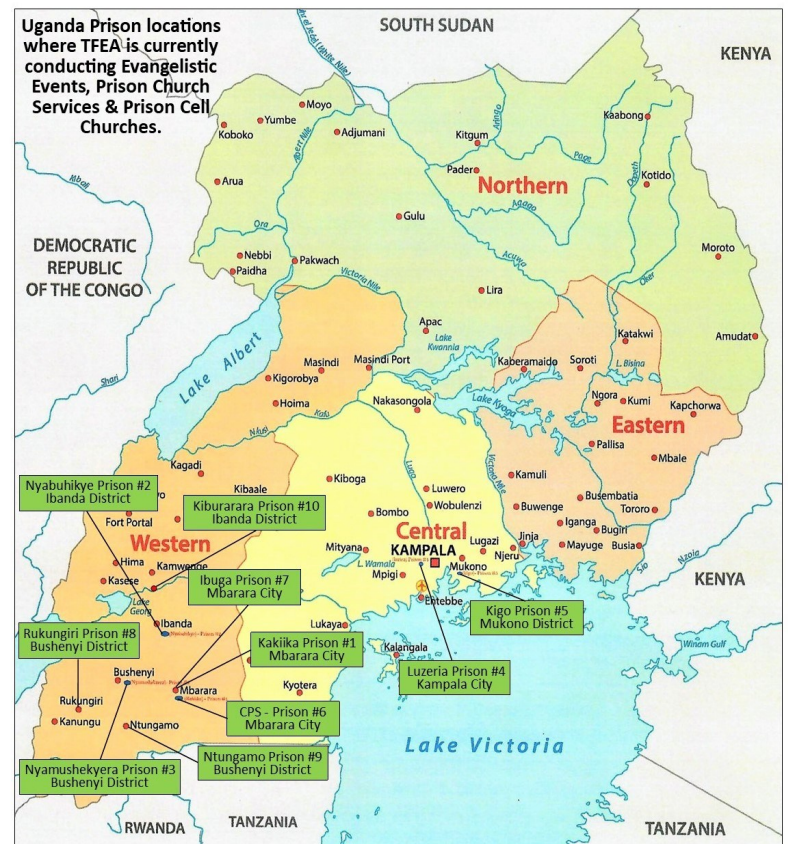

**Bryan & truckload of 10,000 Runyankore Bibles**

**Our Prayer Request** is that God would provide the necessary resources to print these tens-of-thousands of Bibles. Evangelist Bryan has an agreement with the Bible publisher to print 5,000 Bibles at a time for \$10,000 costing only \$2 each per Bible.

### **Growth of God's kingdom Continuing**

We are now in 10 prisons and based on the rapid and miraculous growth we are experiencing we believe this 'Movement of God' will continue throughout many more prisons of East Africa. We also believe that God will use the Kakiika Prison Churches as a model for the other prisons and He will open the doors over the next few months. TFEA will commit to purchasing and providing the necessary sound equipment systems for these additional prison churches as they develop.

**Our Prayer Request** is that God would continue to use our Prisoners of Pain....video documentary to impact the lives of these prisoners. And that the Holy Spirit would give each person responding to the invitations a change of heart to make a life transforming decision that will forever bring them a new life in Jesus Christ.

**Evangelist Hector Soto - Mexico**

Hector is located in Nogales, Sonora, Mexico and has been with TFEA for 18 years. Please keep Hector in your prayers as he takes the Prisoners of Pain...God's Grace video documentary into the Rehabilitation Centers.

**Pastor Salvador & Delmy - El Salvador**

Please pray that God's perfect timing would allow Pastor Salvador and Delmy to take our video documentary into the prisons of El Salvador where it was originally filmed. The prisons have been restricted due to the pandemic.
