**February: 39 Events - 7,157 Professions of Faith in Christ!**

Dear TFEA/Freedom Team Partner,

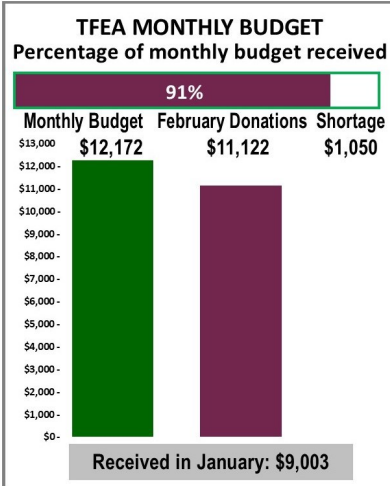

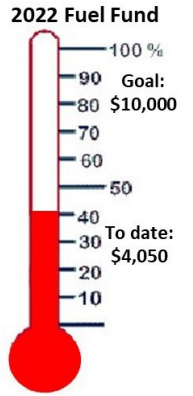

Since the beginning our ministry 40 years ago we have strived to keep the integrity of how we report the number of register decisions to our supporters and partners.

Instead of saying "many came to Christ or many responded" we preferred to use the actual number of those who respond by giving them a pencil and a decision card on which they write down their information and the decision they are making.

We also encourage them to write any prayer requests they might have on the back of these decision cards so we or our Teams can pray over their prayer requests. We feel it is very important to report the actual number of those who respond to our ministry and their decision which is part of our Team training.

**One who walks in integrity walks securely, but one who perverts his ways will be found out. Proverbs 10:9**

We are extremely thankful to God for giving us so many open doors of ministry and for giving us our faithful TFEA Partners who support us.

Bless you, Tom, Carla, Joy, David, Steve, Ted, Hector, Evangelist Bryan & Loice, Pastor Salvador, Evangelist Joshua, Evangelist Albert & Dorothy, & the Freedom Team

## What do you do with 12,000 New Believers? Answer: Start Prison Churches

**Praise God for the miraculous start of the Prison Churches** at Kakiika Prison in March. The staff at Kakiika Prison has been used of God to help us in establishing these churches in the cell blocks at Kakiika Prison and we are hoping to grow from these prison cell churches to many more in the units and wings as can be. These will be churches that will resemble the early church in the book of Acts where the church was referred to as "The WAY".

Each church started with 50 and doubled in size to 100 new believers. Each of these churches will be independent of the other and have their separate times of meeting twice a day. Their leaders are meeting together for training with our Evangelists .

**We ask for your prayers** for each Prison Cell Church and their leaders:

Prison Cell Church #1 - Leader: Kenneth, meeting at 5:30AM-6:30 AM & 5:30PM-6:30PM.

Prison Cell Church #2 - Leader: Alex, meeting at 6:30AM-7:30AM & 6:30PM-7:30PM.

Prison Cell Church #3 - Leader: Richard, meeting at 7:30AM-8:30AM & 7:30PM-8:30PM.

Prison Cell Church #4 - Leader: Emmanuel, meeting at 8:30AM-9:30AM & 8:30PM-9:30PM.

Prison Warden Receiving 4 Sound Systems

We have purchased 4 sound systems which we donated to the prison cell churches.

God is doing this Himself and we are following His divine leading and depending on Him for every step we take. We are merely the vessels He is working through. Thank you, Lord.

We request your prayers always for God's continued guidance and wisdom as He puts this together.

### **Evangelist Bryan Report: 14 Events 4,905 Respondents 4,663 Registered First-time**

Greeting in the divine Name of our Lord Jesus Christ. We appreciate Him for the good health, protection and leading of His Spirit enabling us to do His work in East Africa. We are so thankful to our TFEA partners for your continued support, prayers and spiritual guidance. The Runyankore and Luganda New Testament Bibles have made a great impact on the lives of the inmates. We see this in their verbal testimonies during our services. They are quoting scriptures and speaking about what they have

learned from reading the Bible and the follow up lessons received during services for their personal Bible study time. They have put their Bibles to good use. This had been one of the greatest gifts ever to the inmates. We are filled with joy seeing thousands responding to the call of salvation. God is continuing to give us great favor with the staff and administration in all the prisons our teams are in. We're thankful for Evangelists Albert & Dorothy taking on the central region of Uganda. We have now added Rukungiri and Ntungamo Government Prisons to our list. We are believing God to move mightily in these new areas. God is doing a wonderful work and we are following His lead and depending on Him for every step we take. We continue to ask for your prayers as we walk in His ways.

Praise the Lord almighty, God is moving and leading The Way. With thousands coming to Christ monthly we are so thankful to God for choosing to use this ministry and that we are a part of it. The gift of Bibles to the inmates has done a great job. We have seen an impact during our services everyone has a Bible and a scripture or two at heart to speak during testimony time. This shows that they are reading their Bibles. God has also given our team good health

and provision for His work. God has continued to give us favor with the prison staff and the prison churches have begun in Kakiika. We are working closely with the warden as God leads us all the way. I see a revival starting in prison after seeing thousands being saved and now God has given the vision for the prison church. God wants His people to grow spiritually and be disciplined into mature Christians. Brethren, this is the true will of God almighty. I am so excited that God has counted us worthy to be a part of this work. We are sure that the months to come will be even more fruitful.

God's blessings to you all. Evangelist Joshua & Team TFEA Uganda

### **Evangelist Albert Report:**

Evangelists Albert & Dorothy

Greeting in Jesus mighty Name. I thank God for the opportunity to serve Him in this ministry and for the training we have received. It's a wonderful experience seeing the Holy Spirit move through the Prisoners of Pain...God's Grace documentary and the impact the Bibles have for the inmates. During our four events God confirmed His presence with a great harvest. Dorothy and I were blessed by seeing almost all in attendance accept Christ as Lord and Savior. This is a very unique, effective way of evangelism. We are grateful to God for it. Dorothy and I stand in awe of what the Lord is doing in our life and this ministry. The Prisoners of Pain...God's Grace documentary is an anointed tool of God. Dorothy told me that this is true evangelism and this is the will of God for us. I confirm that! It's about walking in God's will that makes the difference. We request your prayers for God to use us mightily in this ministry.

## **TFEA Suspending Operations in most of Mexico**

**Note:** Carla and I visited Mexico this month and found ministry protocols that varied from our acceptable procedures. After discussing with our TFEA Board of Directors and seeing how God is using our Teams in the Prisons of East Africa we have determined it would be in the best interest of our ministry to shift our focus to Africa.

However we will continue working with Hector Soto who works by himself in the Nogales area of Mexico and we will also continue with our Evangelist in El Salvador who is ready to take the Prisoners of Pain....God's Grace ministry into the prisons of El Salvador when pandemic restrictions are lifted.

For the last 25 years we have always been most effective and fruitful in the prison facilities. With how God is using our East Africa Teams we feel it would be in the best interest to focus our attention and resources where God is moving so miraculously and drawing thousands to Himself and also starting new churches for their growth.

## **Mexico - February Report: 40 Registered Professions of Faith in Christ**

### **Hector Soto Report: 3 Events 68 Responding 40 Registered First-time accepting Christ**

Hector Soto is 73 years old and has been on our Mexico Team for over 16 years. He has been faithful and loyal to our Prisoners of Pain.... God's Grace documentary ministry. Hector had been arrested 103 times before he came to a saving relationship with Jesus Christ which dramatically changed his life. Hector loves the Lord and is somewhat like the woman who washed Jesus' feet with her tears. **Luke 7:47 "For this reason I say to you, her sins, which are many, have been forgiven, for she loved much; but the one who is forgiven little, loves little."**

Hector ministers in the rehabilitation centers by himself and always seems to find volunteers from the centers who assist him with carrying and setting up the equipment, handing out and collecting decision cards from the responding inmates, and distributing the follow up Gospel materials & Bibles.

**This picture shows the 614 registered decision cards that Hector gave to us when we visited him in early March with 366 of them being first-time acceptance of Christ.**

**There were also 127 of these cards that had prayer requests written on the back.**

## **Unedited Testimony from Prisoners in 2 Ugandan Prison Sunday Services**

### **Kevon - 37 year old male - Kakiika Prison**

I have been a proud atheist for many years, and I thought I was in control of my own life, growing up, always felt unloved, unwanted and alone, I started to use alcohol and drugs at the age of 16 to deal with the loneliness. I became an addict and was in and out of jail, falling deeper and deeper into my addiction and feeling more unloved and unwanted, and alone, my life was out of control. Few months later I was arrested and incarcerated, while on my journey through incarceration I was recently invited to attend the Saturday prisoners of pain Christian event in the hall, and as I focused on the video, I felt something moving inside me, as the man in the video talked, I started realizing that I was loved and wasn't really alone, I decided to take this Jesus that loved me, and though my body is in chains but my mind and body is free from the addiction and misery, I am trying not to do drugs again and I know Jesus will help me.

### **Gertrude - 34 year old female - Kakiika Prison**

I am Gertrude, 34-years-old, I was a nurse at the main Hospital, I came here after I helped a young Girl student in Abortion, that ended up costing her life, this resulted in 12 years imprisonment, I regretted my actions and I wished many times to die and be at peace, But when I was invited at the Prisoners of pain Video show, in the hall, some one talked of Peace, and while I was wondering whether I can ever be at peace again, an inner voice prompted me to Repeat the words after the man in the video and I Received Christ Jesus, I cannot describe how I feel Right now, I feel safe and at peace when I am with you here in the hall. There is a kind of power that I left the hall with that day that has given me peaceful sleep ever since. Thank you for coming and keep coming, I would love to join you and do what you do someday.

### **Eliphaz - 31 year old male - Kakiika Prison**

I was Born in a Christian Family, but as I grew up, I saw no need to be Christian, I desired to look like everybody else around me and fit in the community of my agemates, I Joined the Kiffesi-gang which introduced me to Alcohol and drugs, I left school at 18 and married, I was proud and I worshipped myself. Two years later my wife and children walked out of my daily life and became just weekend acquaintances because of my conduct, few months later my addiction left me with no home, no Job, no family and no friends. Was later arrested in a gang round up on the street, and ended up here in Prison seven years ago, at the point of no return, the rest of my life begun falling apart in this jail cell, I tried to take my life several times, I have felt useless and hopeless for these last seven years, Until Yesterday when I was invited to the hall and I felt like someone was speaking to me directly as I was watching the documentary of Prisoners of pain, I felt someone asking questions that I felt were being asked directly at me. I felt something in my heart and spirit, I broke. I went down on my knees and repeated the words with the man in the video, I received Christ yesterday, I feel encouraged and hopeful, i would very much like to be apart of you, bringing people's lives in line with Christ.
