Praise Reports:

Praise #1 - 99,965 Register a Profession of Faith In Christ in the first 7 months!

God has been pouring out His Spirit on our efforts as we have counted the number of prisoners who have received Jesus Christ from January 1st to July 31st. We are excited to announce that 99,965 men and women registered a first-time profession of faith in Jesus Christ in the first 7 month of this year.

Evangelist Joshua Tukesiga writes: *We are doing well and the Team is fine and fueled up for the gospel of Jesus Christ. We so much are blessed to be apart of what the Lord is doing in the Prisons ministry, every day we are overjoyed to witness hundreds of inmates giving their lives to Christ, I have never seen such an effective method of evangelism than the TFEA Prisoners of Pain.... God's Grace documentary. God bless you for your love, guidance support and prayers, we appreciate.*

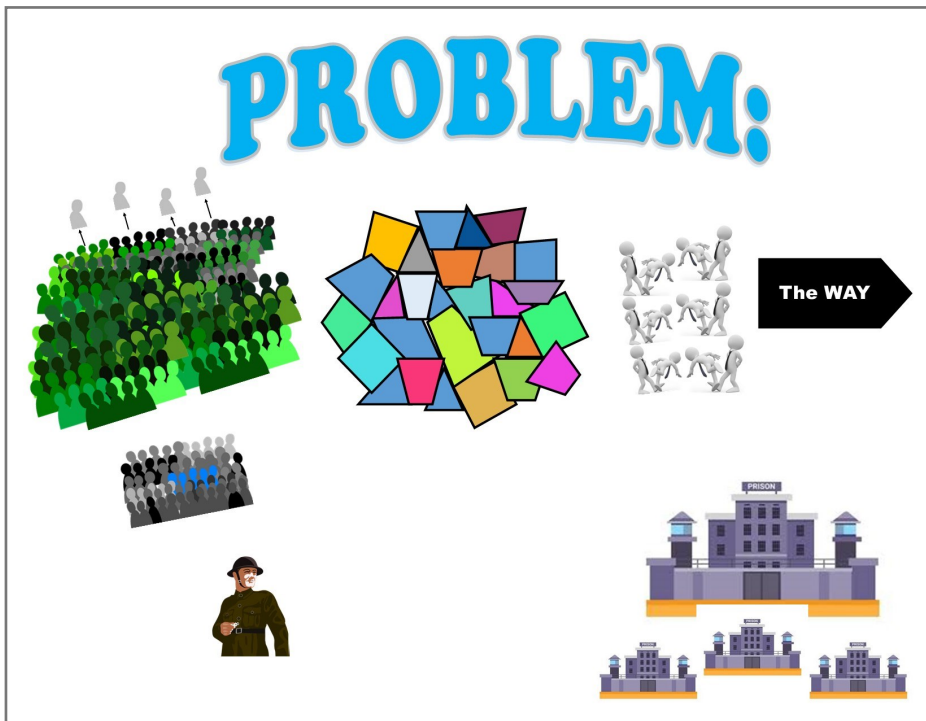

Praise #2 - 547 Baptisms in the Prison Cell Churches

We are meeting the standards as required by the prisons for a safe environment for water baptism of the inmates and in the month of July 547 were baptized. **Jesus commands us “.....Baptizing them in the name of the father and the son and of the Holy spirit.”** Matthew 28:19

Praise #3 - Now 88 Prison Cell Churches with 8,800 Attending Twice Daily

The Kakiika and Nyabuhikye Prison Cell Churches are now at 88 Prison Cell Churches and 8,800 inmates attend twice daily. **“faithful is He who calls you and He will bring it to pass”** 1st Thessalonians 5:24

The VISION - Pastor Tom Received on Jan. 31st

On the morning of Monday, Jan. 31st I was awakened from sleep and between 3:30AM and 4:15AM the room where I was sleeping began to glow like a giant bright video screen filling the entire ceiling of the room.

The first thing I began to see was the word **PROBLEM:** in big bold blue letters. Over the next 45 minutes as I was trying to identify and figure out what I was seeing more and more pieces were added to this visual picture puzzle. Without any explanation or idea of what I was seeing represented I knew that this was a **VISION** God was giving to me. However there was no understanding or explanation as to what it represented.

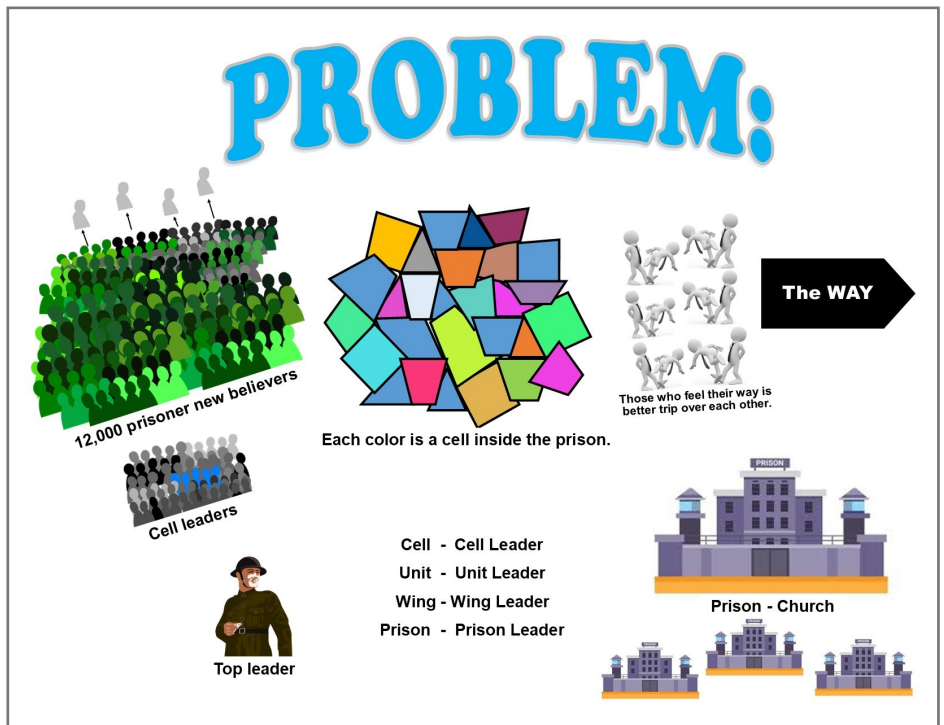

After the 45 minutes that it took for all the objects to appear I felt very tired and found myself weeping and that God was giving me this **VISION.**

The VISION Revealed

Over the next 4 nights I was awakened each night with an explanation of what each piece of the puzzle represented. During those 4 nights as I was awakened in the wee hours of the morning and God was showing me what each puzzle part represented I would excitedly awaken Carla and explain what God was showing me.

God was showing me His plan for the thousands of prisoners who had come to Christ and how He had already prepared the heart of each person that was to be involved in the starting of the Prison Cell Churches. He had already been laying it on the heart of each leader who was to be involved and what

their role was to be. We began the first Prison Cell Church on March 1st and as of this writing we now have 88 Prison Cell Churches with 8,800 men and women attending the one hour services twice a day.

Praise #4 - Printed & Distributed 40,000 Bibles/Gospels

As we look back at the amount of Bibles/Gospels we know that the most important thing we can get into the hands of a person coming to Christ is the Word of God. Most of us have more than one Bible in our homes but where we are operating the only Word of God that these new believers have are the ones we are giving them. If you would like to be a part of meeting this great need and blessing we need another \$6,965 to print our next 10,000 Gospels. Please consider investing in the life of a New Believer in Christ and help us put the Word of God in their hands. See our address on the front page or www.TFEA.us

Praise #5 - Four new WAY House Churches started in July

Four new WAY House Churches are meeting 3 times a week and being hosted by former prisoners who were part of the Prison Cell Churches who have now been released. The combined attendance of these 4 churches for July has been recorded at 90 people of which 50 of them made a first-time Profession of Faith in Jesus Christ in the last two weeks. **Praise God!**

#3 WAY House Church	Haula	Rwenjuru North			"	"	"	"	"
#4 WAY House Church	Methuselah	Rwenjuru North			"	"	"	"	"

Evangelist Bryan Reports: We had our prayers outside with about 40 people (not counting children) at Shaban's house first, and later we also moved from house to house to meet people who could not fit within Shaban's sitting room and met them in their own house we could not finish them all, but we visited 11 houses, there was great Joy at every house we entered, praying and deliverance, and we registered a total of 14 people receiving Jesus as Lord and Saviour for the first time among these families and 25 rededicating their lives to Christ. At Shaban's request, because most people had asked him to visit them in their own homes since everybody could not fit at Shaban's sitting room we visited 11 houses in the same village. We have built a team at Shaban's house already which we have moved with twice now and they are learning what we do.

Shaban and some members of his church will be disciples making disciples and they will be duplicating this. Shaban's home is always full of people now who need prayers. He told me they call his number for prayers and come to his home for prayers, I need to give him more time to train him to duplicate the prison experience. He is enjoying this and thanking God together with his family members. Shaban says "if this is the result of why he got sentenced to prison for 18 years it was worth it".

This house is offered to us by one of the member to remove the middle walls and make it a Hall for their prayers.

Please keep our East Africa Ministry Teams Schedules in your prayers for God to continue to use them. Thank you & Bless You!
