Praise Reports

Praise #1 - Over 16,900 Prisoners come to Christ during the month of May

Update From Evangelist Bryan: Praises to God for yet another great harvest this month. God has given us good health, protection, journey mercies, and successful events all through the month of May.

God is still working mightily more than ever before in the East African Prisons; God has blessed the vision of the TFEA/Freedom Team that **we have experienced a revival in the prisons in our area that I believe is the first one of its kind in history.**

We have added another Prison called, Masafu Prison for our Central Evangelists which is part of the central area Prison Facilities and we are believing God for a great harvest at Masafu Prison and a good warm reception from staff and inmates. Loice has already made contacts and arranged the time schedules with the Masafu Prison staff.

Praise #2 - 46 Cell Churches in Kakiika Prison attended by 4,600 prisoners daily

Update From Evangelist Bryan: The Prison Churches are impacting the lives of the inmates and prison staff greatly, as we have noticed in the written testimonies this month, we have a testimony box full of inspiring and Holy Spirit filled testimonies especially the Kakiika Prison Cell Churches where we are running a church of **4,600 inmates in cells of 100 each, having services twice a day.** The audio sound systems have done the work perfectly in the halls, every one is excited to hold the microphone and testify of the Lord's goodness. Prayer requests for the Bibles and cell church sound systems are hung in each of the cell churches front walls where the inmates pray daily, twice morning and evening, for God to provide for the Bibles and sound systems for the prison cell churches.

Praise #3 - 4 New Cell Churches Started in Nyabuhikye Prison

Update from Evangelist Joshua and Team: The Cell Churches launched 06-01-22 at Nyabuhikye Government Prison with the first **4 cells of 50 inmates each.** We expect that most or all that will be attending the service at the church opening have a copy of the full New Testament Bibles from the past distribution but we brought a few copies of "The Way of Jesus Gospel" just incase we needed to give a few out at the launch. Inmates that will be attending the first two cells are those that are already converted from our past events. We shall be **training them on the model and order of the TFEA prison cell church "The Way."** We may remain with the 2 cells for sometime to train them on the way as we did at Kakiika so that it can become a model for the rest of the cells that will be added in future. Meanwhile the normal 2 events will take place at Nyabuhikye prison hall, and the time that would be for the 3rd event will be used to operate a service and **launch the cell churches at both the male and female wings.** We are excited to see how it goes and we shall be praying for the Teams. We will not use the sound systems for the beginning at Nyabuhikye until later when we expect the number to increase very fast to by mid June. We will need the sound systems to be able to be effective when the Cell Churches go to the bigger halls.

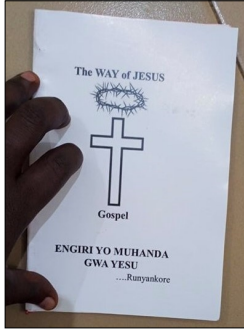

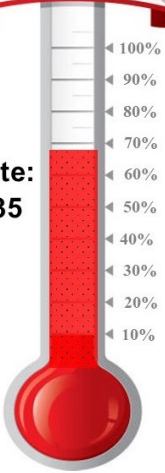

Prisoners in Nyabuhikye Prison who have very little HOPE without Christ.

Evangelist Bryan & Ministry Team Vehicle - This Vehicle Uses Diesel Fuel

2022 Fuel Fund

Fuel Fund Needs

With the cost of fuel more than doubling and our Evangelists driving hundreds of kilometers each month, the fuel to power our Generators and Ministry vehicles are a great need. During the **month of May** the fuel put in the 3 generators was \$185 and the cost of fuel for the 3 Ministry vehicles was \$789. Between the generators and the Ministry Team vehicles **the total was \$974.**

Please consider helping our Fuel Fund.

The Elemax SV2800 Generators power our video projectors and sound systems for our 'Prisoner of Pain.....Gods Grace' events.
