Praise #1 - We didn't do it - GOD IS DOING IT!!!

What is happening is supernatural and God is doing all of it. Thousands of prisoners are coming to Jesus Christ each week and we continue to stand in awe of God's working through our East Africa Teams. This has also now expanded to the WAY House Churches which are made up of a nucleus of houses being used as a WAY House Church birthed and led by a prisoners who were very active in our Prison Cell Churches and have now been released and started the WAY House Church movement.

Evangelist Bryan writes: *Halleluiah, what is happening in East Africa right now, specifically in Ugandan Prisons, I believe has never happened before. There has been a great harvest again in month of August and all the months we have covered in the year of 2022, God has done wonders. As you are aware that the prison church has spread widely and given birth to the WAY house churches and community churches, many souls are coming to Christ weekly. As I type, we now have 9 WAY house churches and 2 community churches making a total of 11 churches, the people and the number of baptisms are increasing and the entire church is growing mightily both in membership (numbers) and spiritually. We recently baptized 104 members at the WAY house church. And we are looking forward to another mass baptism in a few weeks as people continue to give their life to Christ this month.*

Praise #1 - 123,468 Prisoners Register a Profession of Faith In Christ so far this Year!

Evangelist Bryan writes: *We have had the fastest growing Prison Church ever in the history of Uganda Prisons service. We now have 131 prison cell churches with 13,100 inmates attending church twice daily from Kakiika, Nyabuhikye, Kiburara, Ntungamo and Rukungiri Prisons. What a mighty God we serve!! When we first received this vision from Pastor Tom, we thought it would take long before it came to pass. We could not imagine that its just a few months to its fulfilment. God is doing wonders!!*

Praise #2 - 2,951 Baptisms in August!

Evangelist Bryan writes: *Baptisms inside the Cell Churches in the 5 Prisons have gone up to 2,847 baptisms this month. Plus the 104 Baptized in the Way House Churches making a total of 2,951 Baptisms.*

104 people from the WAY House Churches being baptized in a river in Uganda.

Praise #3 - Five new WAY House Churches started in August

God has continued to amaze us as He is developing, planting and birthing these WAY House Churches using the released prisoners who came to Christ in the Prison Cell Churches. The WAY House Church actually starts with one prisoner coming out of prison and moves out into the houses around his as the neighbors come to a saving relationship with Jesus Christ. God is moving very powerfully in the lives of these released prisoner who are actively sharing their transformation testimonies and evangelizing. When the WAY House Church nucleus reaches 100+ they begin thinking of becoming a WAY Community Church.

Evangelist Bryan writes: *The WAY house churches nucleus have grown to 9, and the community churches are 2. We have had many people gathering at the WAY house churches and the sitting rooms are not enough to accommodate them. We switched to using compounds of the house owners. Many people have offered their houses to be used as church house and some offered their space to the WAY House Church for pole tents to be raised and covered with canvasses to accommodate more people. We have already constructed a pole tent and covered it with canvasses to be able to have enough space for the Community Church people to worship. We are going to be showing the Prisoners of Pain documentary show at the community church soon every once in a while depending on the schedule.*

All of these Neighbor Houses are birthed and led by Shaban.

Praise #4 - Two new WAY Community Churches started in August

God has now been leading with the construction of 2 new WAY Community Churches. These are being constructed out of poles and tarps by the new Believers who have come to Jesus Christ through their WAY House Churches and have formed together to make the WAY Community Churches. Attendance between these 2 WAY Community Churches for August was 214 of with most being new Christians.

The WAY Community Churches initial pole structure is put up in a days time with 30 men working together.

The tops are added within a couple of day and keep the sun and rain out. These structures can be easily expanded.

Praise #5 - WAY House Church August Statistics

August: The 7 WAY House Churches with 614 people attending and 455 were first time receiving Jesus Christ. The 7 Way house churches, with 7 leaders have a congregation of approximately 85 – 100 members per church and per meeting. They meet three times a week.

Praise #6 - Printing 10,000 more Bibles/Gospels

We placed the order for 10,000 more Gospels and hope to have them ready by the end of this week. This is one of our biggest needs supplying Bibles/Gospels to these rural people who are attending the Prison Cell Churches and The WAY House and Community Churches.

Praise #7 - Motorcycle Purchased for Leadership Assistants

We have added two of Bryan and Loice's Team to be their Staff Assistants as the TFEA ministry continues to grow.

Evangelist Bryan Reports: *Loice and I were thinking of engaging Alex and Doreen in all the baptisms in prison cells, so that we may keep up with the increasing number of inmates receiving Christ to receive their baptisms immediately, and more other activities in the month of September.*

We are drawing the September schedules with Loice. We are going to give most of our responsibility to Alex and Doreen, and we shall follow up their performance. We shall give most of our time to the community church and WAY house church training leaders and setting things in order. We shall supervise because Alex and Doreen can do baptisms and hold events and all the things they have seen us do.

Story of Forgiveness and Family Reconciliation

Evangelist Bryan Reports: *Yesterday, we opened another WAY House Church. We had fellowship in one of the member's house. (WAY House Church #8) There were about 20 people in the sitting room. It was a family of a former inmate, brother William.*

Short story: *There was hatred between his 8 children and their father, William, who had abandoned them as children, sold their family property and remarried, and ignored his parental responsibility. There was bitterness and resentment in the children's hearts, but as we prayed and preached, they broke down and started singing repentance songs and reconciled with their father who had been 18 years in prison and released. We convinced them that he is now saved and a new creature through TFEA ministry and that they should forgive and accept him again, make new beginnings and forget the past. Their*

mom promised to come too and the family reunites, a great church may spring up from that family and testimony.

It was an emotional moment and also a time of victory over bitterness, resentment and unforgiving spirit, God's love has overcome the devil.

14 For if you forgive others for their transgressions, your heavenly Father will also forgive you.

15 But if you do not forgive others, then your Father will not forgive your transgressions.

Matthew 6:14-15

Please keep our East Africa Ministry Teams Schedules in your prayers for God to continue to use them. Thank you & Bless You!
