WAY Church Geographical Areas: 47 ~ WAY Churches: 1,329

Dear TFEA/Freedom Team Partner,

It is hard to imagine how mightily God blessed our Ministry Teams in August. The inmates who are being released and having attended our Prison Cell Churches have a tremendous urgency to start WAY Churches so their families and friends can also have a relationship with Jesus Christ. We simply ask those being released from prison to try and duplicate what God is doing in the Prison Cell Churches.

Acts 2:47 NAS says, ***47 praising God and having favor with all the people. And the Lord was adding to their number day by day those who were being saved.***

Thank you, Partners, for your prayers and financial support that God is using so mightily in Uganda.

Bless you, Tom, Carla, Joy, David, Steve, Ted, Hector, Evangelist Bryan, Loice, Alex & Doreen, Evangelist Joshua, Superintendent's Team & the Freedom Team

"Prophetic Words Continue To Be Fulfilled!"

Evangelist Bryan Writes: *As we gathered as a team recently, we found ourselves reflecting on the powerful prophetic words spoken regularly by Pastor Tom a few years ago. In those early days, when we were seeing only* ***between 35 and 70 respondents in an entire month****, the promise of a massive harvest felt like a distant dream, far from fulfillment. Yet, as we chose to patiently follow God's way, our recent team discussions have been filled with overwhelming gratitude. We are thanking God for the undeniable fulfillment of the words of His servant, standing as living witnesses that* ***'the vision indeed has an appointed time; though it tarried, it did not fail, and it has surely come to pass'.*** **Habakkuk 23:3**

The ***August harvest*** *stands as a breathtaking testament to this reality, marking one of those historic months where God is actively fulfilling those exact prophetic words. We vividly remember the declaration:* ***"You will be seeing tens-of- thousands of salvations each month."*** *What once required immense faith to look forward to has now become our present testimony as we watch the Lord sweep through our ministry with an unprecedented wave of redeeming power, proving that His Word never returns void.*

Note: In August there were 109,923 recorded salvations among 1,329 WAY Church clusters in Western Uganda.

Ministry Growth and Prison Outreach

The hand of God is visibly expanding our territory across the nation. The 47 area centers provide vital oversight, resource, and spiritual covering to a vast network of 1,329 WAY Church clusters. sustained by a dedicated leadership structure of 1,410 faithfully serving elders at our 47 area centers, with a team of 30 elders standing united, working tirelessly to help the released inmates to establish and continue in the truth received in prisons through the WAY House Churches.

This growth is being heavily fueled *by the explosive move of God within our prison ministry. By the help of God, we have successfully established 1,391 cell churches operating within 20 prison facilities across the country. In the month of August alone, the harvest among inmates reached staggering heights, recording 12,752 salvations, 1,210 life rededications, and 13,957 water baptisms. This miraculous outpouring directly fulfills another profound prophecy repeatedly spoken by Pastor Tom. He always declared that* ***Uganda's great revival would not stay contained, but would break out of prison cells to engulf and fill the entire nation.*** *Today, we are watching this very word manifest before our eyes as transformed inmates carry the fire of revival across prison walls, sparking a sweeping awakening that is transforming communities nationwide.* Bryan & Loice, TFEA Operations Directors, East Africa

Executive Summary & Acknowledgements

We are profoundly grateful for the continuous grace that has sustained our prison ministry as we enter the last quarter of 2026. The Lord has truly favored our efforts with abundant harvest, secure and seamless operations, and the blessing of good health across our entire team.

Our heartfelt gratitude goes out to our committed TFEA partners and spiritual parents. It is your enduring financial contributions and spiritual covering over the years that have made our progress possible. As we look ahead, we remain reliant on your wise counsel and the direction of the Holy Spirit, both of which serve as the bedrock of our impactful monthly outreaches.

Operational Updates & Outreach Locations

Our team members have reported that inmates transferred from our current prison ministry locations have started active cell churches in their new facilities. They have successfully carried our cell church system with them, creating new communities we haven't yet reached. We look forward to expanding our ministry to these new prisons soon. Last month, we heard encouraging officer testimonies from Rutoto Kyambura Country Prison. This month of August, we physically passed by Kyambura Prison and learned that our ministry is expanding there powerfully through these relocated inmates, proving that the Word travels ahead of formal administrative entry.

Impact & Testimonies: The Power of the Word

The sheer joy of inmates receiving Bibles is truly unparalleled—surpassing even the comfort of a favorite meal in prison. These Scriptures bring profound life and hope, quickly becoming the inmates' most treasured possessions.

For many, the Word of God has outgrown the need for physical nourishment; one testimony revealed that some inmates willingly skip mealtime just to read the Bible before passing it along to ensure every possible minute is spent in the Word.

Furthermore, this impact continues beyond the prison walls. Released individuals are now donating their Bibles back to the ministry, with 22 Bibles returned so far this month to help those still serving time. Many have cited The Way Bible as their greatest source of comfort, especially during the final years of their sentences.

Superintendent Emmanuel's WAY Church - August Report

As we were looking at the harvest of the past month with Evangelist Bryan and Loice, we remembered how God called us to this work years ago, something we knew nothing about, we were not qualified for, but God has been our help and our hearts are filled with gratitude to God for this overwhelming harvest of souls brought into His kingdom. In His perfect way, the Lord has softened the hearts of the people and transformed their lives. This reminds us that the work of salvation belongs entirely to Him. We are deeply thankful for our dedicated team of 30 Elders in each center and the smaller teams in each household making up the clusters of house church leaders, whose tireless zeal and unwavering commitment have been the driving force on the ground. The evenings of worship in the Rwenjeru houses can be heard from far, family altars playing drums and singing loudly in the evenings. And of course, we extend our profound appreciation to TFEA, whose faithful support has made this vital ministry possible.

The spiritual fruit we have witnessed is a direct testament to this collective devotion and divine favor. This powerful momentum has laid a strong foundation for the next phase of our mission.

This August, the Lord has done the impossible, as we discussed with Bryan and Loice, we realized that this is the fulfillment of the prophetic words spoken by Pastor Tom to him years ago when this looked impossible, he said **"we would be seeing tens of thousands of salvations each month"**, this was like a dream and no one knew how it would happen. God has fulfilled His promise, expanding our boundaries and multiplying our harvest beyond measure. We are excited to report a historic milestone of **109,923 salvations**, with **109,922 precious believers** following through in the waters of baptism. Alex and Doreen said to me recently, because of the dry season an overwhelming number gathered for baptism in one man-made pool, and they were too many for one day baptism. It had to continue another day. This explosive growth has successfully anchored our network to a total of 1,329 WAY Churches actively operating across 47 geographical centers. These numbers represent real lives of former inmates transformed, their families restored, and their communities claimed for Christ. We praise God for granting us the understanding and grace to obey His way, the way of Jesus.

Faithfully, Emmanuel and Harriet Mujuni, Ministry Superintendent, TFEA - EAST AFRICA

Hector has been on medical leave for the month of August still recovering from being thrown from his horse a couple of months ago. Please keep him in your prayers.

Widows' House Construction Update

Evangelist Bryan Writes: *In our ongoing TFEA mission to care for the vulnerable, we are aggressively pushing forward into the final phase of construction for the 15 new widow houses, focusing on completing their structural frames. Simultaneously, our teams are working diligently on the verandas of the previously constructed homes as we wait for the soon-coming rains to arrive, we are also waiting for the rains to finish up the mud mixing, concrete plastering, and final touches on the existing structures. We extend our deepest gratitude to our partners and to God for completely transforming the lives of these precious women and giving them a safe, dignified place to call home.*

Waiting on the rains for the water for the mud & concrete.

Bricks are being used to make verandas & walkways.

Praise God for Funds Coming in that will complete the Construction of the 72 Widow Homes!

We committed to building 72 Widow Houses and we now praise God for the donations that enable us to complete this project.

James 1:27 ***NAS*** ***Pure and undefiled religion in the sight of our God and Father is this: to visit orphans and widows in their distress, and to keep oneself unstained by the world.***

Bicycles in the Villages

Evangelist Bryan Writes: *We are also filled with immense joy and excitement as we look forward to the imminent arrival of our newest batch of ministry bicycles. While we had hoped to deploy them sooner, there has been a slight delay of a few days. Because these bicycles were in long-term storage, we made the strategic decision to ensure they are fully worked on, choosing to meticulously fit them with brand-new spare parts before they hit the field. This brief delay guarantees that our leaders will receive reliable, top-quality transport capable of enduring the demands of ministry travel. The bicycles will be arriving at our main center very soon, and we cannot wait to share the pictures of this incredible blessing with you all as soon as they land.*

Prayers ANSWERED!

Evangelist Bryan Writes: We join the entire nation in a chorus of thanksgiving to God for a monumental victory: Uganda has officially been declared Ebola-free! The **ministry of health** and global health bodies have confirmed the successful conclusion of the outbreak response, with all restrictions lifted and all districts fully reopened for normal, everyday activity. We praise God for answering our prayers, preserving lives, and completely restoring movement across the nation. This open door allows our teams to travel without boundaries, ensuring that the fire of revival can spread aggressively and unhindered into every corner of the country.

Praise God For:

* The great growth of the 1,391 prison cell churches and the 1,329 WAY House Church clusters.
* The health and safety for all our Directors, Superintendents, Elders, Assistants and Teams.
* The finances coming in that enabled us to send off funds for 5,300 more Bibles last week.
* The spiritual growth of new WAY house church and prison cell church leaders and assistants.
* TFEA Partners whose prayers and support continue to make our ministry possible.

Prayer Requests for TFEA & The Freedom Team

* Continued protection for health and travel for all the TFEA Teams.
* That finances will continue to be sufficient for the ongoing operations of the TFEA ministry.
* Continued life changes inside and outside the prisons.
* The spiritual wildfire of growth to continue and be blessed as it spreads over Uganda & beyond.

More Testimonies of how The Bible Miraculously Transforms the Lives of Prisoners!

Remember the prisoners, as though in prison with them, and those who are ill-treated, since you yourselves also are in the body. **Hebrew 13:3 NAS**

Kenneth, male, 63 years old, Kakiika Prison
For 24 years, my world was defined by four concrete walls and the heavy, suffocating weight of my past mistakes. Having grown up with a religious background, I used to wake up every morning with a cold knot of despair in my stomach, believing that my life was entirely over and that God had turned His back on me and that my religion had not helped me. The silence in Kakiika cells can be deafening especially early mornings, and without anything to occupy my mind, my thoughts would constantly get lost into dark, hopeless places. I felt like a ghost walking through a forgotten graveyard, completely cut off from family, love, mercy, and any sense of human purpose. Everything changed one afternoon when the TFEA Freedom Team handed me a Bible and a booklet. Holding that white clean book in my hands after watching a video that showed a once hopeless people testifying of how Jesus had changed their lives, felt like receiving life itself. The very first night I opened it in my cell, my eyes fell upon promises of forgiveness and renewal that I never thought could apply to someone like me. I read the book of John the first 5 chapters in one night, as I turned the pages, I felt a strange, unfamiliar warmth wash over my cold heart, signaling the very beginning of a new life, I was sweating abnormally that night. From bitter anger to profound, overwhelming peace. I learned that while the state has locked my physical body away, my soul has been completely set free through Jesus Christ. I am no longer defined by my worst decisions or my inmate identification number. **Now, when I look at these prison bars while in our cell church fellowship, I do not just see a cage, I see a sanctuary where God is actively reshaping my character.** I am deeply grateful to TFEA Freedom Team for remembering those of us who are hidden away behind these high walls. Your generosity did not just deliver a book, it brought the living presence of Almighty God right into my lonely cell. This Bible has given me a living hope for the future and a desire to share Christ's love with my fellow inmates. Thank you for being the hands and feet of Jesus and for reminding me daily that I am still loved, valued, and redeemed.

Mwesigye, male, 42 years old, Kakiika Prison
I entered this correctional facility with a heart hardened by years of street life, trauma, and deep resentment. I was filled with anger every single day seeing the harsh realities of maximum-security prison life. Deep down, I was completely broken, drowning in tears that I refused to let anyone see because weakness is dangerous here. I knew for sure that I was far too damaged for anyone to love, let alone a holy God who knew every terrible detail of my life. The day the TFEA Bibles arrived on our cell block was the exact day my emotional armor finally cracked. When I received my copy after the video session, I began reading the Gospels, my mind was looking for a Saviour of the broken, the outcast, and the despised. This book slowly mended my shattered emotions and gave me a peace that surpasses all human understanding, I later joined the daily evening cell church fellowships, I have genuine joy and my cellmates have openly noticed the radical change in my daily behavior, my guilt is gone, replacing it with a quiet confidence that my sins are entirely wiped away. Thank you, TFEA Freedom Team, please know that your gift has saved me from total spiritual destruction. My physical circumstances remain difficult, but my spirit sings praises every day because I know I am forgiven. Thank you for shining Christ's beautiful light into the darkest corners of my life.

David, male, 49 years old, Kiruhura Government Prison
Carrying a broken spirit for 19 years of my life, feeling entirely abandoned by the world, empty, completely invisible, worthless, and utterly forgotten by my own family and friends. The deep crushing loneliness hurting in my chest daily, depressed, I cried silently daily, begging for some sign that my existence still mattered to anyone, anywhere. I thank God for the TFEA Bible that became my friend, I have read it 6 times now but I feel like I am talking to someone every time am reading, the Bible is living I can testify, because I found a friend that I talk to daily by reading scriptures, it feels like someone is talking to me, the scriptures feel like a personal, daily conversation with a loving Father who cares deeply about my pain. Every verse I read feels like a soothing medicine poured directly onto the raw, aching wounds of my traumatized soul. Now, my spiritual transformation is nothing short of a miracle to those who witness it. The Word of God filled my empty cell with divine presence, my isolation into space of prayer, I no longer wake up with dread, but with a joyful expectation of what the Lord will teach me next. Thank you, TFEA Freedom Team, your gift proved to me that God sees through prison walls and cares for the cries of the lonely captive. This Bible is my most prized possession, my daily bread, and the solid rock upon which I now stand. May God bless your ministry abundantly as you continue to rescue lost souls like mine through His Holy Word.

Tomsange, male, 51 years old, Kakiika Prison
Before finding Christ through the Freedom Team, my mind was a storm of anxiety, fear, and regret. I lay awake for countless nights, replaying my crimes and wondering how my life had gone so terribly wrong. The uncertainty of my long sentence filled me with a constant panic about the years I was wasting away. I felt completely useless, tossed about by the violence, and daily stress of the prison community. But ever since I received Jesus Christ as Lord and Savior, I have learned to cast all my heavy anxieties onto Him, knowing that He cares for me. My life now has a clear, divine purpose through the daily cell church fellowships, I have also become a minister of hope inside these walls. I am no longer a victim of my tragic circumstances, but a victorious child of the Highest God. I look forward to the future with a heart full of praise. Thank you for investing in my spiritual journey and giving me a reason to live again.
