**TEFL Kuwait International Conference on
Language, Education, Business and Technology:
10th - 11th February 2023**

***TEFL Kuwait - Dedicated to Serving the English Language
Teaching Community***

TEFL Kuwait, an IATEFL Associate, is a non-profit organization of teachers of English as a foreign language, associated with a UK registered charity IATEFL (International Association of Teachers of English as a Foreign Language), with members worldwide. TEFL Kuwait continuously strives and seeks to improve the teaching and learning of English in Kuwait and the region. In addition to providing expertise, resources, and a voice on issues related to English language teaching, it is a professional community committed to advancing the profession through collaboration, cutting-edge research, and peer-to-peer knowledge exchange.

This event brings together experts in Language, Education, Business, and Technology to exchange and share their ideas and research results in all interdisciplinary streams. Events will be scheduled over a period of two days during the conference based on the number and length of presentations. Its high quality provides an exceptional value for academics, researchers, and students.

Moreover, the TEFL Kuwait Interdisciplinary International Conference provides a premier interdisciplinary platform for researchers, practitioners, and educators to discuss recent innovations, trends, challenges, and solutions to problems in Language, Education, Business and Technology. The event is expected to be attended teachers from government and private elementary, middle, and high schools, as well as universities and other related organizations, such as language schools.
