

Build America-Buy America

Certificate of Compliance

This is to certify that QualPol, located in Jerome, Idaho, meets all the requirements set forth by the Build America, Buy America Act (BABAA). Our commitment to upholding the highest standards of quality and authenticity is evident in our manufacturing process. All High-Density Polyethylene (HDPE), Linear Low-Density Polyethylene (LLDPE), and conduit resin utilized in our production are exclusively sourced from American-based companies.

Company Name: QualPol, LLC
