

The Progressive / Marxist Takeover of America Quiz - 45 Declared Goals

You are about to read a list of 45 goals that found their way down the halls of our great Capitol back in 1963 where they were read into the Congressional Record by a Florida Congressman. As you read this, 60 years later, you should be shocked by the events that have played themselves out. How many do you think the Progressives have achieved? [From "The Naked Communist," by W. Cleon Skousen, 1958, former FBI agent].

- U.S. acceptance of coexistence as the only alternative to atomic war.
- U.S. willingness to capitulate in preference to engaging in atomic war.
- Develop the illusion that total disarmament [by] the United States would be a demonstration of moral strength.
- Permit free trade between all nations regardless of Communist affiliation and regardless of whether or not items could be used for war.
- Extension of long-term loans to Russia and Soviet satellites.
- Provide American aid to all nations regardless of Communist domination.
- Grant recognition of Red China. Admission of Red China to the U.N.
- Set up East and West Germany as separate states in the Post WWII era, in spite of Khrushchev's promise in 1955 to settle the German question by free elections under supervision of the U.N.
- Prolong the conferences to ban atomic tests because the United States has agreed to suspend tests as long as negotiations are in progress.
- Allow all Soviet satellites individual representation in the U.N.
- Promote the U.N. as the only hope for mankind. If its charter is rewritten, demand that it be set up as a one-world government with its own independent armed forces. (Some Communist leaders believe the world can be taken over as easily by the U.N. as by Moscow. Sometimes these two centers compete with each other as they are now doing in the Congo.)
- Resist any attempt to outlaw the Communist Party.
- Do away with all loyalty oaths.
- Continue giving Russia access to the U.S. Patent Office.
- Capture one or both of the political parties in the United States.
- Use technical decisions of the courts to weaken basic American institutions by claiming their activities violate civil rights.
- Get control of the schools. Use them as transmission belts for socialism and current Communist propaganda. Soften the curriculum. Get control of teachers' associations. Put the party line in textbooks.
- Gain control of all student newspapers.
- Use student riots to foment public protests against programs or organizations which are under Communist attack.
- Infiltrate the press. Get control of book-review assignments, editorial writing, policy-making positions.

- Continue discrediting American culture by degrading all forms of artistic expression. An American Communist cell was told to "eliminate all good sculpture from parks and buildings, substitute shapeless, awkward and meaningless forms."
- Control art critics and directors of art museums. "Our plan is to promote ugliness, repulsive, meaningless art."

- Eliminate all laws governing obscenity by calling them "censorship" and a violation of free speech and free press.
- Break down cultural standards of morality by promoting pornography and obscenity in books, magazines, motion pictures, radio, and TV.
- Present homosexuality, degeneracy and promiscuity as "normal, natural, and healthy."
- Infiltrate the churches and replace revealed religion with "social" religion. Discredit the Bible and emphasize the need for intellectual maturity, which does not need a "religious crutch."
- Eliminate prayer or any phase of religious expression in the schools on the ground that it violates the principle of "separation of church and state."
- Discredit the American Constitution by calling it inadequate, old-fashioned, out of step with modern needs, a hindrance to cooperation between nations on a worldwide basis.
- Discredit the American Founding Fathers. Present them as selfish aristocrats who had no concern for the "common man."
- Belittle all forms of American culture and discourage the teaching of American history on the ground that it was only a minor part of the "big picture." Give more emphasis to Russian history since the Communists took over.
- Support any socialist movement to give centralized control over any part of the culture--education, social agencies, welfare programs, mental health clinics, etc.

- Overthrow all colonial governments before native populations are ready for self-government.
- Internationalize the Panama Canal.
- Repeal the Connally reservation* so the United States cannot prevent the World Court from seizing jurisdiction over U.S. domestic problems and our citizens.
- ❖ Before ratifying the United Nations Charter in 1945, the Senate amended the section dealing with the World Court by barring the Court from jurisdiction over matters which were essentially domestic "AS DETERMINED BY THE UNITED STATES." Those six words, authored by Senator Tom Connally (D-Tex), are known as the "Connally Reservation" and are the only thing which COULD prevent the World Court from interfering in American internal affairs on the pretext that our tariffs, immigration laws, school curriculums, etc. affect American relations with other countries and are therefore "foreign" and not "domestic." Very powerful Progressive interests in Washington have been trying to get the Connally Reservation repealed ever since.
