SAGE CENTER FOR FUNCTIONAL HEALTH

## STRESS & ANXIETY RESCUE

### Cortisol Manager Supports Stress Resilience and Brain Repair

This formula calms the stress response while promoting the repair of the hippocampus, the brain's key center for stress regulation. It also enhances sleep quality and can be used during the day to reduce feelings of stress and support overall calmness.

### GABA Calm Mind : Source Naturals, Serene Science®

GABA, a key inhibitory neurotransmitter, helps calm the nervous system by reducing anxiety and quieting overactive, repetitive thoughts, supporting a balanced and relaxed mental state.

### Nervous System Tonic™

Restorative tonic to support, strengthen and calm the nervous system.\*

### Anxiety Soother: Herb Pharm

Herb Pharm Anxiety Soother™ helps calm mild anxiety. A herbal supplement that supports a calm and balanced nervous system during moments of stress, worry, or uncertainty. Its primary ingredient, Kava root, is a well-known natural aid for reducing anxiety. This formula is enhanced with Albizia bark, Passionflower, Bacopa, and Lavender to provide additional relaxation and emotional support.\*

# Adrenal Glandular and Adaptogens for Adrenal Support

## Adrenal Cortex: Thorne

This Adrenal Glandular supplement is formulated to support optimal glucose metabolism, enhance immune resilience, and help maintain healthy blood pressure levels. The Adrenal Cortex component specifically promotes balanced adrenal function, encouraging a healthy stress response for overall well-being.

## Adrenotone: Adaptogenic Adrenal Support\*

This blend of botanicals and nutrients is expertly formulated to rejuvenate and nourish the adrenal glands. Designed to support healthy cortisol levels, it also promotes optimal function of the hypothalamic-pituitary-adrenal (HPA) axis. Additionally, it aids in the production of key catecholamines, including dopamine, norepinephrine, and epinephrine, to help maintain balance and resilience under stress.

## CatecholaCalm™

Designed to support healthy catecholamine levels with adaptogenic herbs and nutrients that may help mood and promote calmness and relaxation. This unique formulation addresses adrenal gland health, which may help people handle stress more effectively.\*

## Adreset® Natural Relief for Stress-Related Fatigue

Features adaptogenic herb extracts for those who are stressed and tired. Designed to aid resilience, energy and stamina in stressed individuals. Adreset's primary herbs have a long history of use in herbal medicine.

## SLEEP AIDES

### Zen Sleep

Zen Sleep combines GABA and L-theanine for relaxation with vitamin B6 (P5P) and 5-HTP, which support serotonin and melatonin production. This formula helps calm the mind and promotes the natural production of melatonin, making it ideal for improving sleep quality and supporting healthy, restful sleep.\*

### Sleep Restorative Formulations

This gentle, natural sleep formula combines calming herbs with melatonin to support restful sleep and promote a healthy sleep cycle. Delivered in a liquid capsule for optimal absorption, it enhances central nervous system relaxation, helping you unwind and achieve a deeper, more restorative sleep.

### MyoCalm® Muscle relaxation formula\*

MyoCalm® is a specialized formula that combines highly absorbable calcium and magnesium to support healthy muscle function, including contraction and relaxation. It also includes passionflower and valerian to promote relaxation and calm, making it ideal for supporting both physical and mental ease.\* Safe Herbal formula for children!
