## American Girl Doll Clothes

FIRST EVER DOLL OUTFIT FOR SALE  
TOMORROW(thursday)!

Do you want to help the school? Do you like American Girl Dolls? If you said yes to either of these, then you might be interested in our latest fundraiser for things for the playground!

Here's how it works:

I'm (Sadie) taking custom orders of American Girl Doll clothes. If you order something then you will be sent home with an order form. Your parents can check yes or no that they have donated to PFS and if they have you will receive the item. Once I get the item and your parents have donated, then I will sew the item and bring it when it's ready.

I will also be doing non custom orders and we'll email your parents and say, "This outfit is available for order." Some examples of things you can buy are hair bows, socks, purses, jackets, sweaters, t-shirts, jeans, shorts, skirts, pants, and dresses.

If you have clothes that are too small on you or that you don't want to wear, donate them for this. (Give them to me to donate.) Thank you for helping support Summerland School!

## Sugar Rush Live!

**Have you heard of the band Sugar Rush?** They perform live in Las Vegas. One of the students at Summerland School is *in* Sugar Rush! Since she makes the newspaper, she is available for questions about the band!

She performs with her two best L.A friends. Even more than that, they're doing a performance in Las Vegas in March or April.

You are likely still wondering what this has to do with the school. Well, I told you that a girl at Summerland School is in Sugar Rush. In fact, she's the *lead singer* of Sugar Rush, *and* their stylist, and even the founder! You likely already know that, but what you don't know is that she made Sugar Rush playing around! She started singing about going out of control, and then she had the idea! She then wrote other songs and then, Sugar Rush! Sadie Gregornik will tell the date of the performance soon.

## Coca Cola or Pepsi?

In High Tide, the 2nd graders and the 1st graders took the Coke Or Pepsi Challenge, and the result was a tie! 10 for Coke, 10 for Pepsi.

# Lennan's 9th Birthday!

By Brendan Kane

**It's January 22, 2026, and it's Lennan in third grade's birthday! We interviewed her on birthday topics. Let's see what she said.**

WP: What's your favorite thing to do on your birthday?

Lennan: I love opening gifts. People put so much thought into presents.

WP: If you couldn't eat cake on your birthday, what would you eat?

Lennan: I would eat ice cream.

WP: What's your favorite birthday treat?

Lennan: Brownies.

WP: How does it feel to be 9?

Lennan: It feels like I'm an old woman.

WP: Hee hee! Cool story.

## Sandpiper Liquor

**The Sandpiper Liquor is a great place to get popsicles, drinks, and snacks.** They are a great small business and we should support them. They support us- we just got 100 dollars from them for a gaga pit! They have delicious food and you can just walk there- you don't even have to go to the grocery store! The Sandpiper is a good place to go on a hot day when you need a popsicle or ice cream! They even have McConnells! Try going to the Sandpiper. You'll love it!

*Sandpiper*

## William E. Burrows, Student Of The Month

**This month, we chose William Burrows for Student Of The Month because he goes to high tide with the 4/5s and excels way past the grade level for reading.** He is happy he goes to Summerland School so he can get learning at higher levels.

*William Burrows*

## Employee Of The Month

Dr. Colson is our first Employee Of The Month. She is a great teacher, she is so nice, and she helps kids get learning at high levels. She shows all the good qualities that a teacher should have. She likes teaching so much and is rarely absent, but when she is, it's usually an emergency or she's very sick. She always tries to come to school and is so amazing words can't describe her. I just want to say, thank you, Dr. Colson, for being such a great teacher.

# School Facts, Cool Facts

By Brendan Kane

## Top 3 Cool School Facts

1. The school is only 4 years old. We had a different location before, and we moved here.
2. The school got a new dance teacher named Ms. Fei
3. The school is growing bigger! We're planning a gaga pit, tetherball, putting in turf, and most importantly, we just got a garden and are starting a garden class!

## Comic Strips

We had a comic strip contest with students. They all submitted comic strips, and the winner is now featured in this newspaper.

**67 IS DONE** by LENNAN G

Sorry, we couldn't find a way to get the comic up. Ask for a printed issue if you want to see it.
