Award Assembly/Western Day

WESTERN DAY!

On March 20th, Summerland School is having an assembly. Sadie and the rest of the WP employees are doing a presentation on WP. Lennan, Spencer and Brighton are doing presentations on informative writing. The 2-3s are going to play Hot Cross Buns on their recorder. Everyone will have a good time.

Western Day will also happen on the same day. Everyone will dress up as cowgirls and cowboys and we might participate in western themed activities.

Student Leadership helped with this idea. They voted it in. They also had the idea of dressing up for Western Day. We are excited and have been wanting Western Day for a long time. We think it will be an exciting opportunity for the students at Summerland School.

Besides the third graders playing Hot Cross Buns, Mika is playing “Merilly We Roll Along”, and Sadie is playing “Claire De La Lune”, a French song, on their recorders too.

Lennan’s Graphic Designs! By Lennan Gallup

Lennan is now working at Wave Press! She designed their logo. She also wrote 67 Is Done and hopes to write more comic strips in the future. She isn’t a cartoonist, though. She’s in charge of them!

Lennan is a graphic designer for the paper. She makes designs for paper merch, such as the logo that goes on tees, hoodies and mugs for the paper—hopefully coming soon.

Lennan makes great graphic designs. She can draw anything. She also designed the newspaper logo and the turtle for Summerland School’s logo. She won the contest.

In the paper Lennan sometimes writes articles, acting as a journalist when the others are busy. Like, for instance, Brendan is a journalist specifying in sports journalism. He is often busy helping Spencer. When Mika is busy too, Lennan can step in.

Private Jet or VIP Yacht?

We asked students which they'd prefer having: a private jet or a VIP yacht, and they got a tie, with 9 for VIP yacht, and 9 for private jet. Which would you vote for?

Talk to Sadie about the next voting.

VIP YACHT

Comfy Cozy Day Fun! By Mika DeTar

It's Comfy Cozy Day for the 2-3s, and we asked kids what their favorite comfy cozy day activity was! We earned this special day by being good. Let's see what they said.

WP: What's your favorite activity, Lennan?

Lennan: Hmm... that's hard. Crazygames online or, you know, sleeping?

WP: How about you, Dr. C?

Dr. C: I like doing spelling bees.

WP: What's your opinion, Brendan, a Wave Press journalist?

Brendan: Playing games is probably my favorite.

WP: Let's get the opinion of one last person. What's yours, Lucia?

Lucia: Maybe, like, relaxing.....Or computers!

Notes From WP

By Brendan Kane

WP wants to tell you a few things.

WP: Please make any fundraisers for the school so we can raise money.

WP: Please don't enter the newspaper station in the 2-3s unless you work there.

WP: Please follow all school rules and listen to your teacher.

WP: A few more things. WP does not have any opinion on 67, and listens to students equally. They do not pick "favorites" for the paper- the students of the month are randomly chosen.

Spencer's Sports Page Baseball Session!

“It was lunch. We played baseball. The team captains were Spencer and Franco. Spencer’s team won! It was 0 to 2. Kolbe played pitcher, Dakota played 3rd base, Spencer played 1st base, Brendan played short stop and Airo played 2nd base. It was a great game and on Franco's team Franco who played pitcher was fast. Nolan T played 1st base, Maverick played 2nd base and Bruno played 3rd base. That’s all for the sports section written by Spencer and edited by Sadie!”
