

KHHC 2022 MEMBERSHIPS

The Executive Committee is updating the 2022 memberships of current and new KHHC agencies and advocates. We are requesting the application completed by the agency lead and also by the advocates who support and participate with the KHHC/Kitsap Housing & Homelessness Coalition.

If you are an advocate not connected to any specific organization, please leave those sections blank asking for mission statements, etc.

New members will be added to the KHHC Resource Email list for ongoing updates and those currently signed up will remain the same.

If you would like to be removed from the KHHC Resource Update Email List, or have other questions, please email Sheryl at sherylpiercy.khhc@gmail.com.

If you are the agency lead or an advocate, please go to our website and complete the membership application:
