

BUILD YOUR CAREER!

HII Technical Solutions supports national security missions around the globe with unmanned systems, nuclear and environmental services, and defense and federal solutions. We partner with the Department of Defense, the intelligence community and federal civilian agencies to provide ISR, cyber, secure enterprise IT, military training and simulation, and fleet modernization.

We are diverse in who we are, what we do and where we do it. And together, we are driven by our commitment to “Hard Stuff Done Right.”
