

## Chillaxin'

A combination of Melatonin, Tryptophan, L-Theanine, Valerian Root, Magnesium and B-complex vitamins helps with anxiety, stress and agitation.

Combining anti-anxiety supplements creates a synergistic effect, enhancing the calming effect while minimizing the possibility of reactions or sensitivity to a large amount of a single ingredient.

### Active Ingredients:

Melatonin  
Tryptophan  
L-Theanine  
Magnesium  
Valerian Root  
Thiamin (Vitamin B1)  
Niacin (Vitamin B3)
