

Let's Groove

A blend of Glucosamine, Chondroitin, Hyaluronic Acid, Bovine Cartilage and B-complex vitamins to help your dog maintain healthy joints by preventing premature cartilage loss.

Active dogs can put wear and tear on their joints and cartilage, Let's Groove helps protect them and give you peace of mind that your fur baby is enjoying optimum joint health.

This treat is also available with fish cartilage for dogs who may be allergic to beef.
