

2023 SCHOLARSHIP

ADVOCATING FOR THE STEWARDSHIP,
PROTECTION, AND ENHANCEMENT OF
NATURAL RESOURCES IN CATOOSA
COUNTY, GEORGIA.

The Catoosa County Conservation District scholarship is intended to reward and assist students who are dedicated to soil and water conservation and interested in pursuing a career in a related field.

AWARD AMOUNT: \$1,000 distributed directly to your college or university

WHO MAY APPLY: The Scholarship is open to Catoosa County students in public, private or home schools. The applicant must be a high school senior or college undergraduate or graduate student intending to major in a natural resource conservation field of study including but not limited to:

natural resource management, horticulture, agronomy, agricultural education or engineering, or plant pathology. The applicant must be a full-time student.

CATOOSA COUNTY CONSERVATION DISTRICT WITH 2022 SCHOLARSHIP RECIPIENT, MIKAYLA DYCUS & FAMILY.
