## **BRING YOUR FRIENDS & FAMILY**

The right to keep and bear arms is a natural right guaranteed by the **2nd Amendment** to the United States Constitution, which guarantees to all Americans, that our liberties and freedoms will never be diminished or taken away.

If you value your constitutional right to keep and bear arms, the right to self-defense, and if you value the lives of the men and women who have died in ensuring those rights, now is the time to join with other like-minded citizens and let your voice be heard!

We are at a critical time in our nation's history where frantic efforts are underway to disarm the law-abiding citizen. Join us to hear from the experts on how each one of us can play a part in keeping our Liberties and Freedoms alive!

Plenty of free parking!

Event will be held from 10am to 2pm.
